

Let us look closely at what took place and see if it can be likened to our time and the New Jewish Utopia. Remember that Christ told us not to 'slumber' but to read the signs.

In 1898, American writer, Morgan Robeson, wrote a book called the "Wreck Of The Titan." The Titan he wrote of was unsinkable, she was to sail from England to New York with the rich and renowned as her passengers. But she never made it to New York. She ran into an ice-berg, sank and took down most of the souls on board, due to a shortage of lifeboats. In itself the book may not seem all that clever because such an event did take place. But the point that makes it all so staggering is that the book was written 14 years before the reality of the Titanic!

I am not going to prove the writer to be a prophet. What I am pointing out is the fact that the event was forewarned whether or not the writer knew what he was writing. So it is with the world at large. God gave us a book to forewarn us of the sinking of (mystery) Babylon. Therefore I find the sinking of the Titanic worthy of noting. Without putting too much stress on numerology, it is interesting to note however, that Morgan's book was written 14 years earlier; i.e.  $2 \times 7$ . Seven has a Godly meaning to it, for it is one more than 6; Six being the number of man, meaning not quite whole, imperfect; Seven means whole, perfect. Two is important for it means to confirm the fact, for God behooves us to have two or more witnesses to an event.

Now, let's look at the very name of the ship. TITANIC. Well, we all know it means vast and huge. I am likening the ship to the plutocratic toy, the New World Order, or better still, their journey towards and the time it takes to reach the New World Order. For the first time in history the plutocrats are able to put in place the largest of all political, religious and economic orders, a World-Wide order, or to use a non-English word, so loved by the One-Worlders: GLOBAL. I call them Global Turkeys. It's Global this, and Global that, say it fast enough.....global global global, just like a turkey. We could call such an order to be of a titanic scale. Reports at the time of the building of the Titanic said the "rudders were the size of elephants and the propellers the size of windmills, all on a nightmarish scale." I would say the same could be said of the New World Order, it's on a nightmarish scale. The name offers more insight. Titan was in Greek folklore, one of the children of heaven and earth and was defeated by Zeus and cast down. Of course all this folklore is written and told in symbolism and shares a common root with other

tales of folklore. What's more, much of European folklore is little more than paganised and elaborated on accounts from the Bible. Wodan, Odin and Thor are in essence all the same characters described in fairy tales as the saving prince, and in the Bible as the Prince of Frith (Peace), i.e. Christ. Zeus is a corrupted form of the Greek name Jesus and Titan is the Greek corruption of Satan. The Greek account makes it clear that this Titan was related to 12 children, and was then cast down. Think of the 12 tribes of Israel and that Satan would be overcome by Christ. We are told that this Titan is not a separate being to the 12 children. That is a very accurate and noteworthy point. The churches have shaped a spook called "Satan", yet, just as in the Greek account, the Bible makes it clear that 'satan' means ADVERSARY! It is therefore not a being, but a trait. The traits being: the lust of the flesh, the lust of the eyes, and the pride of life (1 Jn 2:16), and are therefore part of our race. Jesus will remove (cast down) these traits. Now think of Titan meaning: the lust of the flesh, the lust of the eyes, and the pride of life. Did the Titanic not sum that all up? Does not the New World Order sum up all that imperfection? In other words, the Titanic was the ultimate in imperfection, the largest floating imperfection. The New World Order is the largest floating imperfection, for it is the best that man can make. Seeing that man is imperfect, how can he create anything other than imperfection? And man without God is in an even worse state.

The number 3 signified God.  $3 \times 3$  or  $6 \times 3$ , signifies man trying to be God, hence the huge Titanic system (i.e. satanic order) is numbered 666. Just imagine calling a ship the 'Satanic'! Well, that's what the White Star Line did when they called their 'baby' the Titanic. At the time of it's launching it was boasted that even God couldn't sink this ship.

Can we see anything noteworthy in the Titanic's route? Well, firstly, it was her maiden crossing. For the plutocrats, this 'ship of state' is also on it's maiden crossing. The Titanic was to sail from the Old World (Britain) to the New World ('Jew Pork', New York), U.S.A. Thus we are leaving the Old World Order of things and heading for the New World Order, to prophetic Jew Pork. (That great city, where the woman sits [Liberty]). In Revelation the Order is called a 'beast' and it sits upon many waters. How fitting to draw clues from a satanic ship, for it too sat upon waters. 'Waters' in Revelation we know to mean many nations upon whom the system rides proudly. Well, in 1912, the Titanic proudly sailed forth. Defiantly she sailed on a Sunday, the day of rest. The

New World Order defies God in like manner as not long ago the year of Jubilee, the year of release was defied. The New World order is the 'ship' of the super-rich and the mighty, who would dare stand against it. Who could ever sink it? Surely not even God, for they have made themselves as gods?

So, full of the lust of the flesh, the lust of the eyes and the pride of life the super-rich, wrapped up in their vast gilded capsule set off. Much to the mirth of the masses, for they too marvelled at her sight. I dare say the masses too, will delight in the New World Order and wish it well.

What could go wrong? The Titanic was almost in the New World. It was a warm day, folks were playing on deck when suddenly it became dark and very cold. The water was calm. What does that tell us? The New World Order has almost arrived, home and dry. Everything is going well for them. The multitudes are relatively content and calm (the sea). But there is a change looming. 90 miles away trapped in ice was the Californian. She was so close to the Titanic that her radio messages of warning blasted into the ears of the Titanic's radio operator, Philips. SEVEN times the Titanic's radio room received ice warnings in the one day. Philips was so annoyed by these loud interruptions that he radioed back to the Californian, "Shut-up, shut-up, shut-up, I am busy!" Prophetic? I'd say, all those with a warning to the nation are seen as an annoyance and told to shut-up. Babylon (the New World Order) refuses to see the 'writing on the wall.' One passenger recalled how clear the stars were that night, clearer than ever. That reminds me of Revelation 18, just before (Mystery) Babylon falls, how the earth was lit with glory. Then the CRASH! The crew realized too late the impending grizzly calamity. So as to avoid a head-on smash with an ice-berg, they threw the engines into full astern, only to make matters worse. The ship turned and scraped itself along the ice. It was 11.40pm literally the 'eleventh hour'!

So just when it seems Babylon will make it, on the 'eleventh hour' she will be struck and cast down. Now think of Titan and Satan both cast down in the prophetic accounts of folklore and the Bible. Now turn to Revelation 18...So what sunk the Titanic? An ice-berg! It just happens to be there and no-one thought it a threat. Let's see what this can tell us. Ice is pure water and looks white to the eye, in the form of a berg. A 'berg' is another word for 'mountain'. A mountain (berg) in Bible symbolism means a folk. In this case, a pure folk - a white folk. Only 1/7th is above water (only a remnant is visible), and I guess you could say that most of our

white folk are hidden and live mixed amongst the non-whites, like the pure frozen (sleeping) ice is hidden under impure water. Indeed, most of our race is asleep and just happen to be floating around in a sea of non-Israelites. So, to Babylon we pose no threat. Yet unbeknown to most of our folk (they are asleep), the rest of the world, and to Babylon, Christ is using us to sink the 'ship' of state. When Babylon realises this, it will be too late, for God WILL sink the New World Order. As they realized the inevitable, the band struck up on the Titanic to play, "Nearer My God To Thee." The sinking of the Babylonian New World Order will usher in the Kingdom Age.

A last note: A miss Hart, who was then SEVEN, recalls how her mother refused to sleep that night for she had an inner feeling based on what she said, that to call a ship 'unsinkable' was flying in the face of God. This spared her life, she heeded the warning. That night 1500 drowned. Babylon, TOO, will go down. When she does, don't stay on board and go down with her. Then get out of her, don't try to prop it up (We would have healed Babylon, but she is not healed, Jer 51:9). Go home and rejoice. Only those who stay will wail and weep and mourn as they go down with her. From various indications it appears that they expect to have the New World Order completely in place (prophetic New York) in 1992, 2 X 40 years after the Titanic sank. As 40 years is considered a generation, as the Israelites wandered the wilderness for 40 years to let that generation die. So here we have two generations. Perhaps an indication that God is longsuffering. The day of the sinking of The New World Order is nigh!

Remember the words of Benjamin Franklin, words which are forgotten by many and are obviously unknown among the 'captains' of the New World Order *"How has it happened....that we have not hitherto once thought of humbly applying to the Father of lights to illuminate our understanding? In the beginning....when we were sensible of danger, we had daily prayers....for Divine protection. Our prayers....were answered. All of us who were engaged in the struggle must have observed frequent instances of a superintending Providence in our favor....And have we now forgotten this powerful friend? Or do we imagine we no longer need His assistance? I have lived.....a long time, and the longer I live, the more proofs I see of this truth: 'that God governs in the affairs of man.' And if a sparrow cannot fall to the ground without His notice, is it probable that an empire can rise without His aid? We have been assured...in the sacred wri-*

tings that except the LORD build the house, they labor in vain that build it. I firmly believe this. I also believe that, without His concurring aid, we shall succeed ....no better than the BUILDERS OF BABEL; ....."(Fron Sea To Shining Sea, pg 18)

#### DIVORCE: ITS SPIRITUAL CAUSE AND CURE

by Geoff Muirden

Few people seem to realize that divorce is a spiritual problem, not just a psychological one. It started when humanity divorced themselves from God. Before this happened, Adam and Eve had what I believe to be the ideal marriage. The Bible makes it clear what role Eve had to play. In Genesis 2:18, God said: *It is not good for the man to be alone. I will make a helper suitable for him.*

He then performed the first surgical operation on man, and produced woman. In Gen. 2:21-25, *the Lord God caused the man to fall into a deep sleep; and while he was sleeping, He took one of the man's ribs and closed up the place with flesh. Then the Lord God made a woman from the rib He had taken out of the man, and He brought her to the man. The man said, 'This is now bone of my bones, and flesh of my flesh; she shall be called woman (part of man) for she was taken out of man.' For this reason a man will leave his father and mother and be united to his wife, and they will become one flesh. The man and his wife were both naked, and they felt no shame.*

So Adam saw Eve as an extension of himself, and felt at one with her, he achieved a kind of unity, or completeness. They had what I believe was the perfect marriage.

And then came the fall, and there was a great gap between men and women. I think that Eric Fromm, in The Art of Loving, was correct in saying that the reason why Adam and Eve became ashamed of each others' bodies after eating the fruit, was that they broke the link between God and themselves, and felt cut off from Nature. Nature had once been friendly to them, now it was hostile.

As it says in Gen. 3:17-19, *To Adam He said, because you listened to your wife and ate from the tree about which I commanded you, You must not eat of it...*

*Cursed is the ground because of you; through painful toil you will eat of it all the days of your life. It will produce thorns and thistles for you, and you will eat the plants of the field. By the sweat of your brow you shall eat bread, till you return to the ground; since from it you were taken; for dust you are and to dust you will return.*

They had lost their sense of unity with God and Nature when they divorced God, and would in future separate from each other. The link with God which bound them to Nature and to each other was broken. So human divorce is an evil fruit of the fall, the result of men and women divorcing God.

#### SPIRITUAL AND MARITAL ALIENATION

The emptiness created by divorcing God created a void that men and women sought to fill by marriage. But men and women are divorced from each other, as well as being fallen beings, so it's hard for them to blend. We can enjoy the old French joke about "vive la difference," but the fact is that differences can divide as well as create.

#### WOMENS' LIB FALLACIES

Later on, I'll talk about psychology's attempt to mend the differences, but I want to deal with one of the most disastrous attempts to heal the breach, and this is Womens' Lib or Feminism, with its insistence that the only psychological differences between men and women are the result of social conditioning, and with proper so-called "consciousness raising", these supposed false differences can be discarded. This mention of differences is denounced as "sexism."

That this philosophy is a lie is determined, not only by experience, but by hard scientific evidence. Brainsex, by Anne Moir and David Jessel, provides "hard evidence" that men and women have different types of brains, that produce different attitudes, aptitudes and reactions. What it shows is that there is no absolute mental superiority between men and women. Men are superior in some types of thinking and acting, and women are superior in others. In general, women are better at human relations, while men excel in dealing with machines. Women are better at handling people, while men are better at handling things. The biggest behavioural difference between men and women is the innate biological aggression of men, a male feature which cannot be explained by social conditioning. Trying to bridge the gap between men and women by accepting false theory

is not the way to do things. Men and women will live more happily if we acknowledge our differences.

### WOMEN MATERNAL AND DOMESTIC

Women show a greater tendency to want to raise a family and settle down. This is documented by Women In The Kibbutz, by Lionel Tiger and Joseph Shepher (Harmondsworth, Middlesex, Penguin 1978). In the kibbutz, men and women had equal opportunity to seek either domestic or management roles. Virtually all the demands of Womens' Lib had been met. There was no block to women seeking management roles, yet instead of the sex roles withering away, they had been reinforced. Women showed a greater preference for family activities, and greater domestic contact between parents and children.

### PSYCHOLOGICAL CONFLICTS

Psychology says that each of us is nurt inside, carrying around scars from childhood. Dr Harville Hendrix, in Getting The Love You Want, says marital success is not getting the right mate, but coming to terms with hidden parts of ourselves. His idea is that, when we grew up, we had need as children that couldn't be fully met by our parents. We repressed some of these childish traits, but inside each of us childhood instincts are in the "old brain", covering the brain stem and the limbic system, the part that receives most of the messages from childhood.

When it comes to mate selection, we choose someone who resembles the character traits of the people who raised us. Our old brain is trying to recreate our childhood and wants to heal old childhood wounds. When we choose a partner, we choose someone who remind us subconsciously of our parents. We want to be restored to the sense of unity we experienced in the womb, and we want to find wholeness with our partners. When we choose our partners, we find that he/she has negative as well as positive traits. When our partners fail to meet our needs, we are filled with an unconscious fear of death, because we expect to be cared for.

The old brain wants to recreate the conditions of your childhood, in order to correct them. But when we encounter negative traits, we tend to react against them as a child would - by striking back at them, by criticizing and condemning. We seek to be complete and whole as God intended, and so we choose marital partners that will make up for the parts split up in childhood. But if we encounter wholeness or good qualities in our partner, we can feel threatened by feeling inadequate, and thus seek to attack him or her. But in so doing, we reject that part of ourself we

don't want to face.

### NEW BRAIN/OLD BRAIN MERGER

The solution, according to Hendrix, is to see your partner, not as a savior, but as someone hurting, just as you and I are, and to realize that in curing him or her, we can cure ourselves, to have what he calls a "conscious marriage." The conscious marriage sets out to achieve wholeness, and does so by acknowledging our own negative traits, and not project them on to others. Commit ourselves to the needs of our partner, realize that our partner is seeking his or her own salvation, not ours. We recognize that we have parts of ourselves that we don't want to face. Hendrix says: "Ultimately, if it takes a lifetime together for a couple to identify and heal the majority of their childhood wounds." (p.96, Getting The Love You Want). He also says that, "unless they understand the unconscious desires that motivated their dysfunctional behaviour in the first marriage, and learn how to satisfy those desires with their new partner, the second marriage is destined to run aground on the same submerged rocks." (p.97, Ibid)

Therapies include:

1. Learn how their partners can please them;
2. Learn from our partner;
3. Mention criticism in a non-blaming way. Realize that criticism represents parts of ourselves.
4. Criticisms of our partner help represent parts of ourselves. He says: "Two people can either hurt each other or heal each other, depending on their willingness to grow and change." (p.131, Ibid).

When we hurt our partners, we hurt ourselves. By healing our partner, we become a more loving being. As Hendrix puts it, "man's spiritual wholeness is inextricably linked with his psychological wholeness...when the rift is healed, they come closer to God." (p.169, Ibid)

### BIBLICAL MODEL

Hendrix's method is a kind of a bridge between the psychological model and the Biblical model. He sees the goal as achieving wholeness, ending the separation from God. And there's a similarity with the Biblical model. The Bible makes it clear that male and female lovers care for each other and belong to each other.

Solomon, in his Song of Songs 6:3, says that: "I am my beloved's and my beloved's is mine."

The same theme is echoed in Ephesians 5:31, where Paul quotes Gen. 2:24, "for this a man shall leave his father and mother and cleave to his wife, and the two shall become one flesh."

(Note that "one flesh" means unity or completeness) Then he adds, "*this is a great mystery, and I take it to mean Christ and His Church (ecclesia).*" (Eph.5:32)

So that Paul is saying that the unity between man and woman that is the ideal, is like the unity between Christ and His church (Ecclesia).

### YOU DON'T OWN ME

Many years ago, there was a song, with the theme: You don't own me! Well, I'm sorry, but the Bible indicates that the bodies of husbands and wives belong to each other. Paul says: "*The wife's body does not belong to her alone, but also to her husband. In the same way, the husband's body does not belong to him alone but also to his wife.*" (1 Cor. 7:40)

Each supply pleasure to each other, which is the divine plan.

### HUSBANDS AS HEAD

Now we come to the part that has the feminist harpie screaming: that the man is the head of the marriage, just as Christ is the Head of the Church (Ecclesia), and that wives should submit to their husbands in everything. He says: "*Wives, submit to your husbands as to the Lord. For the husband is the head of the wife as Christ is the head of the church (ecclesia), His body, of which He is the Savior. Now as the church submits to Christ, so also wives should submit to their husbands in everything.*" (Eph 5:23-24).

Objections to this would be valid if the husband abused his authority, but we are talking about willing and loving submission, not enforced obedience to a tyrant. In fact, Paul says, "*Husbands, love your wives just as Christ loved the church and gave Himself up for her.*" (Eph 5:25).

### WIVES AS HEAD?

What woman admires a henpecked man? If it were natural for a woman to be in charge, and the man to submit, then he would be happy for the woman to be in charge, but he's not, and the henpecking woman despises her mate! Why?

Because a woman wants a man she can live up to. It doesn't work too well the other way 'round!

### HIGH SELF-ESTEEM

The model is that "husbands ought to love their wives as their own bodies. He who loves his wife loves himself." Eph 5:28 Psychologists agree that to have love we must give it, and find it inside ourselves. It's the basis for loving ourselves.

## WIVES, RESPECT YOUR HUSBANDS

That brings us to the next point. The Bible admonishes wives to respect their husbands. As Ephesians 5:33 "each one of you also must love his wife as he loves himself, and the wife must respect their husband." Why would wives respect their husbands? Surely because their husbands respect their wives' wishes and needs.

Men have a greater need than women for admiration: to find such admiration within his own family unit, is a source of deep satisfaction.

### SINGLE LIFE BETTER?

Paul feels that the single life is better (for what he was doing- 1 Cor. 7:1) and many psychologists would agree with him, but he recognizes that those who have an impelling need to marry had better do so: "*Now to the unmarried and the widows I say: It is good for them to stay unmarried, as I am. But if they cannot control themselves, they should marry, for it is better to marry than to burn with passion.*" (1 Cor. 7:8-9)

So that the Bible is practical in its marital advice!

### LOVE'S NOT ALL YOU NEED

The Beatle's got it all wrong when they said: "Love is all you need." Paul said that love is the greatest thing, but he didn't say it's the only thing. Wisdom is needed. Part of this wisdom is a spiritual understanding of love. "*Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude. It is not self-seeking, it is not easily angered. It keeps no record of wrongs. Love does not delight in evil, but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails.*" 1 Cor 13:4-

### FAMILY DEVOTIONS

Who lives us to that model of love? No one except Christ Himself. But we can get in touch with the Author of Love by having family devotions to worship God and seek His help. Tim La Haye's How To Be Happy Though Married, says that a survey by the sociologist, Pitirm Sorokin, on Christian marriages, showed that when the practice of daily Bible study and prayer is observed, there is only one divorce in over 1,000 marriages.

### SPIRITUAL SUMMING UP

The spiritual cause of divorce is the divorce from God which led to the divorce from man, the spiritual glue holding each other together. When God restores His Kingdom, proper marriage is seen in describing New Jerusalem as "a bride beautifully

dressed for her husband." (Rev.21:2) The culmination is the end of the Divine-human divorce: **"Now the dwelling of God is with men, and He will live with them. They will be His people, and God Himself will be with them and be their God."** (Rev31:3)

Christ's words are that human divorce will also be eliminated in the heavenly kingdom, because there will be no human marriages: **"When the dead rise, they will neither marry nor be given in marriage; they will be like the angels in heaven."** (Mark 12:25).

Because peoples' bodies will then be immortal and incorruptible (1 Cor 15:42-44), they won't have the sense of separation and incompleteness that now plagues them, and they won't feel the need for marriage.

This will be the finale: the end of the divorce between God and man, and the end of divorce between men and women. The sense of unity that once prevailed between Adam and Eve, will return for all time, on a new and flawless earth.

**COMMENT ON THE MID-EAST WAR**

*by Pastor Ben Williams*

Well, Bush actually did it! He started shooting!

In fact, he not only started shooting... he is spending about a billion dollars a day on bombs being dropped on Kuwait and Iraq. "Operation Desert Storm" is being waged under the auspices of The United Nations, led by George Bush: the President of "THE NEW WORLD ORDER." At the current rate of over 10,000 bombs dropped per day, its hard to say which will be exhausted first - Bush's bombs or Iraqi buildings.

Bush is donating scores of million-dollar PATRIOT anti-missile missiles to Israeli for protection from the Iraqi SCUD missiles. Each PATRIOT missile costs over a million dollars. "No problem!" What's a million dollars here or there when it comes to war? War debts are sanctioned! Bush has an unlimited credit plan with which to finance his adventures, and he knows how to exploit it! He spends and spends. We and our descendants pay, and pay.

I honestly don't know what to expect now. I didn't expect Bush to jump into a full-fledged shooting war. I may have over-rated Bush's intelligence. I knew he had no ethics, but I figured he had a well-thought-out plan. But, now I wonder!

I hadn't figured Bush would wilfully contribute to the destruction of his own oil interests in the Gulf. Obviously, he has. However, only part of his oil holdings is in the Gulf. He and his Trilateral friends have more oil wells located around the world. Shutting down the Gulf will only raise the profits for his remaining oil fields while destroying much of the Arab oil market.

Kuwaiti and Iraqi oil fields are burning. Those that the American bombs have not hit will likely be ignited by the Iraqi's as they retreat out of Kuwait. At this rate, the whole area may soon be ablaze (the oilsmoke, and the oil spilled into the Gulf, should give the environmentalists something to talk about!). When the shooting started, oil prices rose, and then dropped suddenly. The drop came when Bush signed the release to dump US oil reserves on the market. Don't expect the price to stay down. Gasoline sales to Gulf-area residents were actually halted a few days ago.

There was some talk about the rich Kuwaiti oil men threatening to pull their money out of American banks and put it in European banks if Bush didn't drive Hussein out of their country. This may have been true. If so, it would have added to Bush's motive to eliminate the volatile Arab oil coalition. Arabs have always been hard to control, and the international bankers don't like people who are hard to control. Burn

their oil wells and they are easier to control.

Some of my friends are convinced that Bush is driven by the Zionists. I am not convinced, yet. He is unquestionably a very dangerous and powerful man. I think his goal, as the spokesman for The New World Order, is to get better control over the whole Middle East: the Zionists as well as the Arabs. But, it is possible that Bush's current war will produce the opposite effect - further destabilizing the Middle East and weakening his own regime. The whole Arab, Iranian, Iraqi world is turning more and more anti-American. They call Bush's America "the great satan." And, they are right!

By the way, I won't be surprised if nuclear bombs are used in this battle. To most observers, nuclear explosions (like the one that destroyed the Marine barracks in Beirut a few years ago) are hardly distinguishable from conventional ones - as long as they are not large enough to make the mushroom cloud. Iraqi SCUD missiles are quite capable of carrying nuclear devices.

This has become a media event, like the Superbowl. So, keep an objective outlook. You can be sure that most of America will not!

### **Socialism And The Ten Commandments** *A Philosophical Scrutiny*

Very often we meet people who maintain that Christianity and Socialism have very much in common. Unfortunately, those people confuse two different conceptions, namely Social Welfare and Socialism, as a political Teaching of Socialist State Structure.

To understand more readily the contents of the following expositions we must bear in mind that nowadays there is not a great difference between Political Socialism, Fabian Socialism, or even Communism. Well known communist countries are called The Union of Soviet Socialist Republics.

It is a startling fact that a leading communist of his day said: "Communism is merely socialism in a hurry!" (Prof. H.Lasky)

Let us now analyse the Social Welfare and also Political Socialism in the light of the Ten Commandments.

#### **Social Welfare**

Social Welfare is an accepted thing in a Christian Society. Our Lord taught us to love our neighbors. We must help our less fortunate brethren, and do it voluntarily, in

a spirit of Christian love and understanding. Social Welfare is an integral part of every State structure which is based on true Christian Culture.

Social Welfare has been known and practised over the centuries by Christian Governments, and is in the course of constant improvements; and these improvements shall be made on the basis of the Ten Commandments, and the Christian Gospel.

#### **Political Socialism**

From time immemorial, mankind has believed in the existence of God, Supreme Power, the Creator of Life and the Universe. And, up to date, no one has been able to disprove this universal belief in the existence of God.

Four thousand years ago Israel received the Divine Ten Commandments, and on this ethical and moral basis has been built all our contemporary culture and civilization of the West.

Reject the Ten Commandments and the world will be thrown into the hands of anarchy and chaos.

During past generations there have been philosophers, writers, and teachers wishing to disobey the authority of the Ten Commandments, and to build a new socialist society without Divine Authority. They put themselves in the position of God, pretending to do better, and proclaiming their own laws and ideas as a substitute for Divine Wisdom.

#### **First Commandment**

*"I am the Lord your God, you shall have no other gods before me."*

Political Socialism is a purely materialistic teaching, denying the very existence of God. There is no room for God in the real socialistic state, and the first commandment is absolutely ignored by its leaders.

In the beginning socialism, in a stealthy Fabian way, strove to ridicule The Church, especially the Christian Church. Through clever propaganda, religious teaching was abandoned in school programmes. Later, as political socialism became more powerful, they commenced the persecution and torture of religious leaders, who were persecuted and jailed for their faith.

It is wrong to regard the Teachings of our Lord Jesus Christ as socialistic. The socialists not only deny the existence of God, they defy the first commandment and create new gods, and a new religion.

Instead of God, they worship, with religious fervour, Karl Marx, Lenin, Stalin, Mao Tse Tung, blindly believing that their human commandments and teachings are superior to the commandments of The Living God.

The non-observance of the first commandment leads to exclusion of the:

### Second Commandment

**"You shall not make any graven images, nor worship them."**

Images and pictures of long-dead leaders proliferate in socialist countries. In so-called Western land which are becoming socialized, graven images of the heathen are revered, and 'sacred sites' held in esteem, when they should have been destroyed.

Disobedience of the first two automatically excludes the:

### Third Commandment

**"You shall not take the name of the Lord your God in vain."**

Where there is no faith in God, there is no reverence for His Name. In Russia after the socialist revolution, the word "God" was always written or printed with a small letter; it was strongly prohibited to use a capital letter for the word "God." This fact, as well as many others, is unfortunately unknown to most Western people.

### Fourth Commandment

**Remember the Sabbath (Rest) Day to keep it Holy (set apart)."**

In socialist countries there is no such thing as holiness, and every day is exactly as any other. In Russia now there are not any "Sundays". They call Sunday the equivalent to the English "day off". In Christian society this day is dedicated to the Word of God, but socialists believe in the non-existence of God so there is no need for a day of Worship.

### Fifth Commandment

**"Honour your Father and your Mother."**

There is no such thing in a socialist society! The State is your parents. You must honour Mao Tse Tung, Lenin, Stalin, or worship and honour the Socialist-Communist Party. Even children are proclaimed as heroes who spy on, and denounce their own parents. Some are encouraged to kill their parents (Leslie Millin tapes #8140 and 8141, \$8 the set posted from CIM). This of course has already included the:

### Sixth Commandment

**"You shall do no murder."**

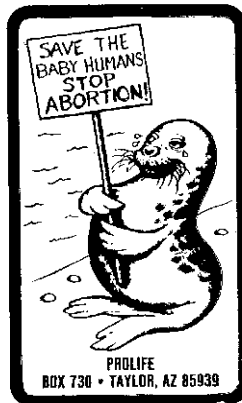

The Socialist Teachings say: "All is permitted which serves the socialist cause." The Fabian Socialists boldly advocated the policy of euthanasia (painless death) to liquidate all opposition - A policy supported wholeheartedly by Fabian Socialist, George Bernard Shaw.

Also, the socialist politicians and governments often introduce laws permitting abortion, which is nothing else but legalized murder of the unborn.

### Seventh Commandment

**"You shall not commit adultery."**

The Socialist teaching advocates free

love, and marriage is not regarded as a solemn and religious act, and not even as a binding contract. It is only registration of certain relations between sexes.

Family life is not regarded as something holy and necessary. Most socialist teachers prefer free relations, and advocate that care of the children should be left to the State. In present day socialist countries, husband and wife, or

better, man and woman are working partners, each earning his or her own money, and if they wish to separate, the State makes no difficulty. Socialists look very lightly upon breach of marriage.

And of course, the true meaning of adulterate, to pollute with admixtures, is shown by the socialist moves for integration with the coloured people.

### Eighth Commandment

**"You shall not steal."**

This is also disregarded by Socialism. according to the socialist program, all property must belong to the State, or be nationalized. In plain language, it must be taken away, or stolen from the legitimate owners and proprietors, and put in the hands of the party bosses. Thus "State Property", especially in Socialist states, belongs to the ruling class, i.e. to the Party. But, as in the Socialist State, there is usually only one part, (even though there may appear to be others to fool the people), all belongs to this party.

Nationalization is nothing else but theft on a large scale, without any possible punishment of the thief. Council rates are nothing more than rent which you pay to the state for the use of their (your?) property.

### Ninth Commandment

**"You shall not bear false witness against your neighbor."**

Socialist countries usually suppress the truth, and through the media, bear false witness to their oppressed people. There is no free press in a socialist state.

Note that the socialist state is not your neighbor.

### Tenth Commandment

**"You shall not covet your neighbor's wife house, servants, or anything that is your neighbor's."**

These are absolutely ignored by Socialist Teachings, because the aim of the socialist governments is to expropriate and to nationalize all the world's wealth. We should not have any illusions that this is not true, because nationalization is the very essence of the socialist teaching. Not

the welfare of the individual, but the complete subordination of the individual to the power and whims of the State, that is to say, of the Socialist Party Bosses. (the leaders of the New World Order)!

Socialism is a political teaching whose aim is to destroy our Christian Culture and society, and give us a 'utopian' and very ugly world.

In conclusion dear reader, judge for yourself whether the Socialist teachings have anything in common with the Ten Commandments, or with Christian teachings.

Look around you and see if Socialism has already overtaken and destroyed the Christian teachings which used to prevail?

## ... We must obey

by Gorgonio Intong

*Here are 10 reasons you must obey the laws of the Bible if you desire salvation.*

**I** Is it necessary to ask in His Name and to keep His commandments in order to be saved?

*"If you will enter into life, keep the commandments," Matthew 19:17.*

**II** How many people will Yahweh save out of this world?

*"All them that obey Him," Hebrews 5:9.*

**III** What assurance does Yahweh give to those who desire to keep His commandments?

*"Fear not; for I am with you: be not dismayed; for I am your Elohim: I will strengthen you, Yes I will uphold you with the right hand of my righteousness," Isaiah 41:10.*

**IV** Will Yahweh our Elohim save anyone who persists in transgressing His laws?

*"If we sin willfully after we have received truth, there remains no more sacrifice for sins," Hebrews 10:26.*

**V** Can we be guiltless while refusing to keep any one of the commandments?

*"Whosoever shall keep the whole law, and yet offend in one point, he is guilty of all," James 2:10.*

**VI** What will make obedience easy?

*"This is the love of Yahweh, that we keep His commandments: and His commandments are not grievous," 1 John 5:3.*

**VII** How does Yahweh regard one who refuses to conform to His commandments?

*"He that turns away his ear from hearing the law, even his prayer shall be an abomination," Proverbs 28:9.*

**VIII** How particular does Yahweh say we must be in keeping His commandments?

*"You shall not add unto the word which I command you, neither shall you diminish ought from it, that you may keep the commandments of Yahweh your Elohim which I command you," Deuteronomy 4:2.*

**IX** Is it possible for one to be right with Yahweh while refusing to keep one of Yahweh's laws?

*"He that says, 'I know Him,' and keeps not His commandments, is a liar, and the truth is not in him," 1 John 2:4.*

**X** Is it safe to go on doing that which we know is not right?

*"To him that knows to do good, and does it not, to him it is sin," James 4:17.*

Yahweh-Yireh, calms the raging tide.  
Yahweh is my Refuge, Yahweh will provide!

O Mighty One of Israel,  
who can know Thy Ways?

## Islam In The Past

For a thousand years Islam raided, invaded, stormed, burned, and on two occasions almost overran all of Christendom. One invasion conquered Egypt, North Africa, Spain, and was barely stopped in the heart of France. Another Islamic steamroller from the opposite direction was narrowly stopped at Vienna.

Islamic warriors invaded Spain, Sicily, Southern Italy, Greece, Southern Russia, and most of Eastern Europe. Her corsairs raided the British and French coasts for slaves.

Europe had to pay tribute to gain permission to sail ships on the high seas.

Islam brought down and destroyed the world's greatest empire, greater than the rest of the West put together, the Christian empire of Constantinople. Islam is the hereditary enemy of the Christian West.

Shortsightedly, the West and the USSR both used the warlike tendencies of these people to market their expensive military hardware which was paid for with oil dollars. It was a powerful stimulus for world economies.

When the Israeli nation which had recently wedged themselves into their midst, complained that this armament was causing her Arab enemies to be too powerful for her to handle. One of them in particular - Iraq.

Iraq lies in the geographic center of Mideast Islam. If her military power were destroyed and the country occupied by a power more powerful than any of her neighbors, the Mideast would then become safe for the Israeli nation, and the rest of the Arab world would also become peaceful in time. As a bonus, the power that occupied the Arab world would also control their oil, and, Europe and Japan who were dependent on this oil for energy. The occupying power (or powers) would exercise indirect control the world.

Iraq became the new Evil Empire and was enticed into making a 4th attempt to re-annex Kuwait. She thought she had done her homework when she naively asked D.C. if there were any offensive/defensive agreements between the U.S. and Kuwait. She foolishly believed the United States when it assured her that there were no such offensive/defensive treaties with Kuwait. The Iraqis took this to mean that the road was clear, and that the U.S. would not intervene any more than they had intervened when the Soviets invaded or suppressed Afghanistan, Czechoslovakia, Lithuania and Estonia. Iraq felt that America had no interest in Kuwait.

## The Peace That Follows

Many strongly suspect that the massive invasion of the Arab world and the attack on Iraq has not been thoroughly thought through any more than the results of massively arming the Arabs in return for short-term economic stimulation was thought through. For that matter, neither was the consequences of giving Arab Palestine to the Jews thought through.

America and her allies can with relative ease defeat and occupy Iraq, if she wishes to forego the economic benefits of an extended police action, and sit on Iraqi ruins for the next 50 years if they desire. Spy satellites can spot Arab military convoys to enable occupying forces to smash them with missiles before they can go 100 miles. But will it work?

Though not understandable by Jewish or Western logic, Saddam Hussein has been faithful to the requirements of the Quoran. If he lives, he will be looked on as one who stood for Allah against the Great Devil. If he dies, he will become a martyr who will in time achieve a place in Islam just below Mohammed himself.

## The Great Devil

Islam speaks loudly against the "Great Devil." Who does Islam say is this Great Devil? It is those who attack her. They look with scorn on those whose normal every day acts must

be toned down by Army advisory pronouncements - whose normal behavior is offensive to Islamic peoples. The Islamic peoples of the world believe that they are morally superior in most respects to the TV-trained Christian West.

## The New Age

This is a new age we are living in. An Islam depending on American and Soviet-made tanks, planes, missiles, and millions of men under arms has proved to be a disastrously weak Islam. A million men with 2nd hand equipment find it almost impossible to kill a handful of invaders. However, one muslim in a truck sacrificed himself to kill 120 invading U.S. marines in a barracks in Lebanon. One muslim in New York sacrificed himself to walk up and shoot Zionism's most militant advocate. One muslim retaliated for the shooting down of an Iranian airliner in the gulf by blowing up an American airliner over Scotland. This is a new kind of warfare - one that F-16s, Patriot missiles, and the latest radar sighting devices can't defend against. It is a defense/offense that has been successful, and one that can go on and on. This matter has not been thought through.

In spite of Islamic shortcomings seen so clearly through Western eyes, Islam considers herself cleaner and purer. Islam sees her men as more dedicated. They prove it by freely sacrificing themselves for their people and to obey the demands of Allah their god.

## The Tally Sheet

America, for oil, for political obligations to special groups, and simple narrow mindedness, has allowed herself to be entrapped in Near East flypaper. Her entry into Islam will be like the German armies flowing onto the steps of Russia. Both Russia and Islam are easy to get into and very difficult to get out of again, intact.

Make no mistake, the Jews have taught Islam to hate with a cold deadly hate. Christendom is now included in this hate. Islam hates while she keeps and counts the tallies. For each of the "faithful" who dies - in time, maybe months later, or years - another barracks will go up in smoke, another plane will fall from the skies, another ship will sink, another hostage will be taken, another leader will die. Christendom will pay, and pay, and pay. Life for life. Blood for blood. Week after week, year after year.

This war that has begun will end when Christendom is at least as morally clean as Islam, more just, more righteous, and her men as willing to die for their God as mohammedans are for theirs'. Christendom's dealings with Islam must become just and fair.

But now, that day will be a long time coming. The thing that must be dealt with is called "Jihad" - Holy War! A thing that Westerners don't really understand, but their memories will become refreshed. It is something that goes on, and on, and on -

The "peace that follows" may lie generations in the future - on the other side of stacked bodies of sons and husbands.

## WILL THEY BE ALLOWED IN?

There will be a moment of suspense for World Council of Churches representatives who approach the worship tent where the WCC Assembly begins in Canberra on February 7: will they be allowed in?

The answer to that question will be made from the front stage of the tent, where, already seated, Aboriginal elders and clergy will consider the request, carried to them on a message stick.

Should it seem like a fair thing, an elder will beckon to the waiting WCC

procession, who may then enter.

"In this act, as throughout the 15-day gathering, it will be abundantly clear to all who participate that they are on Aboriginal land," said organizer Mrs Anne Pattel-Gray, head of the Australian Council of Churches Aboriginal and Islander Commission.

"During the course of the Assembly proper, Aboriginal Australia will retain a high profile, with an art exhibition, gift shop, meeting tent, participatory ceremony and cultural event."

## LETTERS

"Dear Mr. Hoskins: Re Iraqis using hostages for shields. My grandfather served in the 11th Virginia. He was captured at Milford Station, Virginia in 1864, and taken to the Morris Island fort, Charleston Harbor, SC, where he and 100 other Southern prisoners were stood in front of the fort as a human shield to keep the Southerners in Fort Sumpter from shooting at them. They could shoot at Fort Sumpter but Fort Sumpter couldn't shoot back. The story can be found in *Personal Reminiscences 1861-1865* by Capt. W. H. Morgan, J.P. Bell, Lynchburg, VA, 1911." B. K. - Virginia

"Dear Mr. Hoskins: Just talked to a high ranking army officer who said that this may be one of the most bloodless wars ever fought." A. H. - DC

ED: Perhaps. On the other hand on a major network I saw a private video clip said to be taken of a night bombing raid on Baghdad. The exploding bombs were like hundreds of twinkling points of light and took place over a two square mile area. The impacts seemed to be as close together as handfuls of gravel thrown into a lake. This appeared to my eye to be carpet bombing. If so, the list of civilian casualties in Baghdad may make surprising reading.

Dear Mr. Hoskins: There is an ongoing unreported race war in the Atlanta public schools. Blacks, Hispanics, and Orientals vs. Whites. Four white students are believed to have been killed and the schools were closed for one day to permit a cooling period. Police patrol every school." H. R. - Georgia

ED: Lynchburg public schools this past month has had its first rape and the second discharge of firearms.

"Dear Mr. Hoskins: I find your prose excessively verbose, repetitive and too anecdotal. However, I'm indebted to you for introducing me to the concept of Adamic Man and God's Laws pertaining to usury and economics - the real cause of our financial, social and political woes. The first time I read *War Cycles / Peace Cycles* the scales began to fall from my eyes. I saw the truth in Christ and finally accepted him as my Savior." C. J. - Texas<sup>2</sup>

ED: Thanks. As a side note, most of the founding fathers knew Latin and Greek and had more than a smattering of Hebrew. They knew precisely what they were talking about when they said that all "men" are created equal.

"Dear Mr. Hoskins: I've read "Vigilantes of Christendom." Excellent! I pray that God will watch over you and yours. Please send me 5 more copies." W. B. - Florida

ED: Mr. de la Beckwith, scion of an ancient family in America and before that in England, age 70, was tried and released twice after being accused by the establishment of shooting the Black radical civil rights leader, Medgar Evers. The media recently announced that after more than two decades he has once more been arrested and will be tried a third time. It is claimed that two witnesses have stepped forward after having been quiet for 20 years. His book, which will soon be in print, should be interesting reading.

"Dear Mr. Hoskins: The New Testament clearly states that one must obey the authorities placed over them. "Obey in all things your masters ... And whatsoever ye do, do it heartily as to the Lord." Col 3:22,23 "Be subject to principalities and powers, to obey magistrates. Tit 3:1 The authorities have the right to order citizens to do whatever they like and citizens are required by God to obey their orders." G. A. - New York

ED: God does not war against Himself. Scripture cannot be interpreted so that some scripture will war with other scripture. God does not fight himself. It is true that citizens must obey authorities placed over them, but this assumes that the authorities are just and are obeying God's commands. If there is a conflict - God's law prevails.<sup>1</sup> The overriding law is "Fear God, and keep his commandments: for this is the whole duty of man." Eccles. 3:1.<sup>2</sup>

**For Women Only**  
by CHERI PETERS

courtesy Scriptures For America

The following letter is written to Bharati Mukherjee, an attractive Asian woman, who recently did an interview with Bill Moyer on a syndicated television station. Funding for this program was given thru the John D. and Catherine MacArthur Foundation. A program to be used as a catalyst for change. The corporate underwriting of this program was sponsored by General Motors Co.

Ms. Mukherjee came to America from Calcutta in 1961. Born to wealthy Indian parents she refused to live under their caste system. After arriving in America, she attended the University of Iowa and while there, met and married a white American man. Since then, she has written seven books, her latest entitled *Jasmine*. This book imparts her dreams and lifetime ambitions. It is written in such a way as to tell the story of Jasmine, an Asian woman capable of performing 'anything' for her people! I hope the following letter will help you to understand why this woman has come to OUR land.

Ms. Mukherjee:

I'm provoked to write to you after recently viewing your television interview with Bill Moyer. I applaud you for the inner drive you possess in actively portraying your goals for America. Tho you and I are as different as night & day, black and white, we do have a common ambition and purpose. Just as you said you "love" and desire to "possess" this country, so do I. But with an even more tenacious inner drive than you. For you see, Ms. Mukherjee, my inner drive to possess America comes from much more than just being "an American at Heart". It stems from my physical birth in this nation along with many of my past generations. You've allowed your feminine wiles to peak thru in this comment. For women whose forefathers bled and died to possess this land, the phrase "Born an American at Heart" goes much deeper than a woman's emotional heart disposition.

You say you feel violent times coming in the 90's for America and you are going to stay and fight the battles to help correct the problems of this nation. I feel it's only fair to warn you, that I, along with many others whose forefathers shed their blood for this nation, have the same objective as you.

We will be on different sides of the battle of course, and the problems WE will correct are in contradiction to what you consider the problems of America. Yes, you have won many battles the past 20 or so years. But WE have been promised the victory of this war!

Such comments to Mr. Moyer as "We've come to America to take over.... We have come not to passively accomodate ourselves to someone else's dream of what we should be, we've come to America to take over—to help build a new culture", are a bit usurptive, to say the least! What makes you think

Euro-Saxon culture which is already here will allow that to happen? Your culture is fine for YOUR people, but destructive to mine! Your comments as to the Euro-Saxon culture being of the 'Mosaic theory' of non-absorption of immigrants is quite true! Our culture can't survive in a blended/fused lifestyle. OUR God forbids it! So your assumption that "Anglo-Saxons will just have to change their rules" is a faulty one! Anglo-Saxon Israelites have been promised (II Samuel 7:10) this land by OUR God and according to HIS rules, YOU'RE not invited to stay!!

You're right in saying "America is being changed by people who bring new ideas—WE are creating American culture daily by our art and by inventing new mythologies". Unfortunately, your Asian culture has permeated our nation in the last 20 years. But, just as you, I know a time of change is coming in this country, and to YOUR surprise that change will be in OUR favor! There are many of us who do not intend to allow your culture to interfuse with ours. Your exhortation to Americans to "let go of OLD notions and what was, and mongrelize together to build a better or more hopeful nation" is an erroneous one. This nation was built on the rules of ONE God, and on the foundation of ONE race of people. To change those rules and mongrelize those people is to only bring complete destruction to this nation, and you have more to lose than we. Your culture has grown in this country since the Viet Nam war, but a time of restoration for OUR culture is soon approaching. And if it comes ONLY thru the violence you threaten us with, then so be it! We will be ready!!

You claim those of your race who now reside in OUR country "Have come to America as pioneers with the same guts, energy, and feistyness that the original American pilgrims had". Possibly so, but it's only fair to warn you, the blood which flowed in the veins of these original pilgrims still flows today. And the same guts, energy and feistyness which was exhibited by those

early pilgrims still exists in 'their' descendants. We have no intention of moving over Ms. Mukherjee. Our intent is to restore OUR America, with the help of OUR God, to what HIS original intention was for her. New 'feisty' pioneers such as yourself are neither needed OR welcome! We have enough of our own!!

The 'Romanticism' which you claim America offers to your people is more than merely a 'Romanticism' to mine. America is a promise, a hope, a future and a genetic love given to us by our God. No, Ms. Mukherjee we will NOT choose a new history, for the history we have now is HIS story and can only be changed by HIM. No one, not even you with all your dreams of conquering this nation, can change our HISStory. You may be able to remove it from our story books and exchange our art for yours, but OUR history is in our genes and you can never take that from us, as long as we refuse to mongrelize with you.

Your threat to my people that "Anglo-Saxons have to change their rules and replace them with a fusion fat in which BOTH are changed radically by the presence of NEW immigrants" is an empty one. For those of us who belong here, we'll never replace God's rules with yours or anyone else's. Neither will we 'move over' or will we 'shut up' to allow for such a thing.

Yes, Ms. Mukherjee, women DO fantasize and women DO have dreams! But, once again I might add, you're not the only woman with dreams of HER race possessing this land! I can't condemn you for your dreams because they are mine. The difference is, your race hasn't been promised this nation, mine has! And just as you claim many within your race who now reside in OUR country possess a morality which comes from down inside them, to lead them to do 'anything' for their cause, there is also a remnant within my race who possess that same morality! Exception being, the force behind our morality comes not only from our blood, but from God's spirit dwelling within us. The 'vigor' you claim your people have to possess the land, whether thru violence or otherwise, can't be compared with the 'vigor' of this remnant. Wait and See!!

The NEO-third world order you fantasize in creating will never come to be. Try as you may, the new world order IS on the horizon, but in contradiction to your dreams. For when Christ's new world order is established, your dreams will become your nightmares!!

We're not asking you to move OVER, Ms. Mukherjee. But rather forewarning you, you WILL be moving out!! We cannot allow you and yours to continue to mongrelize our race, our culture, or our God's rules. Don't make yourself too comfortable here. OUR God has foretold your destiny by the prophets of old.

*"And it will be that like a hunted gazelle,  
Or like sheep with none to gather them,  
They will each turn to his own people,  
And each one flee to his own land.  
Anyone who is found will be thrust through,  
And anyone who is captured will fall by the sword.  
Their little ones also will be dashed to pieces  
Before their eyes;  
Their houses will be plundered  
And their wives ravished."

**DICTIONARY**

A Guide to Deceptive Words and Terms Used to Neutralize Christians

**GUN CONTROL**

**CONTROLLED MEANING:** Guns are unnecessary and dangerous. They create criminals and facilitate crime. Therefore, the government must control and/or eliminate private gun ownership, which will, in turn, control and/or eliminate danger and crime. The public is safer and happier when no one has guns except the government.

**CORRECT MEANING:** An Orwellian term used to disarm the people. As used by central governments, "gun control" means "gun elimination." This is the method used by central governments to deprive the conquered citizens of their natural right to keep and bear arms. Thus, they lose the means to protect themselves and their property.

A disarmed citizenry is vulnerable to damage from crooks. That leaves the people dependent upon government policemen for protection. This leads to larger police forces, more government control, and higher taxes. A disarmed citizenry with a large, well-armed, government police force guarantees incontestable government sovereignty over its people.

A gun is an "equalizer." It gives "the small guy" the means to defend himself against "the big guy." Thus, a gun can provide protection against bullies and crooks. Guns constitute a danger to no one else. When government legislates against guns, that means they fall into the category of bullies and crooks.

**EVASION**

**CHURCH MEANING:** The means of escaping this life without going to hell. It is a coveted condition sought after by church-goers who follow rituals, or series of prescribed performances, for the purpose of gaining access to "heaven" at the time of death, or at "the resurrection." "Salvation" is accomplished during this life but enjoyed only after death.

**CORRECT MEANING:** The act of being saved or rescued from something. To be given the means to avoid, or be delivered from, a bad predicament. Christ saves us by enabling us to escape from ignorance, depravity and sin - and ultimately, death. The benefit of this salvation is realized in this present life as well as in the future life.

It is meaningless to speak of "the salvation of Christ" except in the context of those problems He is saving us FROM.

**IN THE NAME OF JESUS**

**CHURCH MEANING:** An expression used at the end of prayers to induce God's approval and to make sure Jesus is not excluded.

**CORRECT MEANING:** An idiomatc expression meaning, "by the authority of Jesus." To do something "in the name of Jesus" is to declare that your actions have the authority and approval of Jesus. Praying in Jesus' name is not just adding a phrase to the end of a prayer, but rather aligning your needs with His will and authority.
