### BAAL WORSHIP IN JUDEO-CHURCHIANITY, PT 3.

by Ps. Mark Downey

The gates of hell have prevailed against the false church. The last thing in the world they would want to be accused of is being a special race chosen by God to be above all other races in the world as clearly stated in Deut. 7:6. And yet the double mind is perfectly at ease with the notion of people who reject and despise Jesus Christ being called God's 'chosen' people, who in turn generate the label of 'White Supremacist' as if it were a dog turning to its own vomit. In John 10:38 and 20:29-31 Jesus, in essence, told them even if you don't believe His simple proclamation and doubt His Word, believe the works (signs and miracles) that you may know He is the Son of God. Likewise, being consistent with Jesus' reply for proof, the true identity of Baal worship can only be found by finding the 'morals and dogma,' if I can use that term from Albert Pike, within the religious organizations that practice them. Do the elements of Baal worship dovetail with the modern judeo-Christian church? There's about a dozen components of Baal worship, so let's find out. I've already touched on some of these elements, but I want to itemize how we can easily identify Baal worship today in the modern world. Someone may say that was thousands of years ago, we don't do those things today. But, Eccl. 1:9 says, "*What has been will be again, what has been done will be done again; there is nothing new under the sun.*" There is no new source of happiness (not to be confused with self-gratification), but the excesses of immorality, as has been said, may owe Sodom and Gomorrah an apology. Jim Bakker and Jimmy Swaggart have made comebacks as if nothing ever happened. However, Baal worship is there for those who have eyes to see. Let's take a look shall we?

The first mention of Baal worship in the Bible wasn't really worship in the conventional sense that we understand it to be; but was actually:

1. Spying on and working against the children of Israel. This came from the story of Balak and Balaam. We have to understand who Israel is in the world today to understand who it is that is being spied upon. Nobody is spying on jews who have stolen the identity of Israel, but a very solid case can be made against jews who are spying on the White Christian nations of the world today, who are the true nations or tribes of Israel. America has been especially vulnerable to the Mossad or jewish spies. In the early 1950's Julius and Ethel Rosenberg were tried and executed for

espionage, being part of a Soviet communist spy ring targeting our early nuclear weapons program. Many other jews were involved and about that time Sen. Joseph McCarthy was opening his can of worms exposing an incredible network of jewish communists in and out of our government. But even back then the jews had wormed their way into the highest echelons of government. I can't name all of these jewish spies, because there's just too many of them. But, the Jonathan Pollard case was especially unnerving in 1985, who turned over some 800,000 pages of information including US code-breaking techniques and names of US agents in IsraelIE and the Middle East. In 1993, a huge scandal erupted in San Francisco, where the ADL was caught operating a massive spying operation on critics of Israel, various organizations and the San Francisco police department. Data collected was sent to IsraelIE. Pressure from jewish organizations forced the city to drop the criminal case, but the ADL settled a civil lawsuit for an undisclosed sum of cash.

On 9-11, 5 IsraelIE jews were arrested for filming the planes crashing into the WTC, dancing and cheering while the twin towers collapsed. Supposedly employed by Urban Moving Systems, the jews were caught with multiple passports and a lot of cash. Two of them were later revealed to be Mossad. As witness reports track the activity of the

Israelis, it emerges that they were seen at Liberty Park at the time of the first impact, suggesting a foreknowledge of what was to come. The IsraelIES are interrogated, and then eventually sent back to IsraelIE. The owner of the moving company, used as a cover by the Mossad agents, abandons his business and flees to IsraelIE. The United States Government then classifies all of the evidence related to the IsraelIE agents and their connections to 9-11. All of this is reported to the public via a four part story on Fox News by Carl Cameron. Pressure from Jewish groups, primarily AIPAC, forces Fox News to remove the story from their website. Two hours prior to the 9/11 attacks, Odigo, an IsraelIE company with offices just a few blocks from the World Trade Towers, receives an advance warning via the internet. The manager of the New York Office provides the FBI with the IP address of the sender of the message, but the FBI does not follow up. In addition to a whole cast of Jewish characters complicit in the 9/11 conspiracy, let's not forget the 200 so called art students i.e. IsraelIE spies after 9/11, who were arrested and then conveniently deported back to IsraelIE by the Bush administration who dropped all charges. Since 2003, the IsraelIES have deployed assassination squads into other countries and here, while the US government does nothing in protest of international law violations.

How does this tie into Baal worship in judeo-churchianity? Well, it's well known that the unbiblical catholic confessional was nothing more than a glorified eavesdropping device to spy on their congregants. This has permeated the Protestant churches minus the holy out-house. A shocking news report about five years ago revealed that 'Clergy Response Teams' are being trained by the federal government to "quell dissent" and pacify citizens to obey the government in the event of a declaration of martial law. In May 2006, it was revealed that a FEMA program was training ministers to become secret police enforcers who teach their congregations to "obey the government" in preparation for property and firearm seizures, mass vaccinations and forced relocation (to concentration camps?). One of these clergymen blew the whistle on the feds and said they needed ministers to help implement Homeland Security directives in anticipation of a potential bio-terrorist attack or some kind of natural disaster or national emergency (perhaps an economic meltdown). Hurricane Katrina set a precedent for mass gun confiscation when police and National Guard forced home owners to hand over their legally owned firearms. Gun grabbing always precedes the communist takeover of a country so they don't get their heads blown off in the process. Have you registered your gun yet, so they can knock on your door first? There were 38 chaplains (trained by the feds) operating in 8 different camps; telling the detainees that the government is established by the Lord.

Recent history demonstrates this practice with the KGB assuming ownership of the Russian Orthodox Church after murdering millions of rural Christian farmers. In essence, it is a preemptive strike, abusing Romans 13, to get the sheeple to accept the machinations of wolves. I can just hear these mealy-mouthed "Reverends" trying to diffuse a situation telling patriots that still have a brain in their head, "Let's cooperate with the authorities here, because you know, the Bible says the government's established by the Lord... after the crisis is over you can get your guns

back." The CRT was told that they would get backup for uncooperative individuals or even SWAT teams to quell resistance. Actually, there's no such ridiculous claim that we Christians have to obey anybody just because they have a badge and/or a gun. Our colonial forebears had the motto: '**Resistance to tyranny is obedience to God**'. In the first century AD and now, the police do the dirty work for secular authorities. A police state is anathema to law and order. There are allegedly 23,000 clergy who are projected CRT trainees. They are nothing less than a brotherhood of Judases; continuing to crucify Christ. "*While they promise them liberty, they themselves are the servants of corruption; for of whom a man is overcome, of the same is he brought in bondage*" II Peter 2:19.

## 2. Interracial fornication or mixed blood marriages.

This is a biggie that shows how far down in the sand the church's head is. God created everything after their own kind; kind is synonymous with species; Caucasoid, Negroid and Mongoloid are separate species, known as races. Therefore, creating half-breeds from two different species is tampering with God's Creation and prohibited by God's Law. It is the doctrine of Balaam, It is virtually the Baal worship of 'self' playing god to create something that God never intended. The New World Order of antichrist jews wants to homogenize all races, which God created, into one indistinguishable form of mongrelization, so

that people are without any cultural or ethnic identity worldwide. It would be the death of culture as we know it. This godless utopia is just the opposite of the Kingdom of God on earth. Make no mistake about it, the Kingdom of God will be an all-White Kingdom when the Baals are destroyed.

There was a valiant attempt to break away from the Jewish bolshevism of racial mongrelization when university studies in genetics and eugenics were progressing miraculously in Germany from 1933 to 1945. WWII was not only an economic war, but a war between the sciences of heredity, anthropology, ethnology and the false theories of environment and Darwinian evolution. The German position on race, science and Christianity became such a serious threat to the ambitions of Jewish world domination, that the World Jewish Congress declared war on Germany in 1933, leading to the bloodshed of a world war. So you can see how a massive campaign to miscegenate this nation could change it from a nation of White Christians to an adulterated country of Baal worshippers. In the 1930's all racial studies were eliminated from university curriculums and replaced with the Jewish fabrications of unscientific anthropology. This anti-Christian education would facilitate the changing complexion of the church. The Jewish enemy is well aware of the necessary integrity between our physical and spiritual purity. For without it, there is irreparable damage, a deadly contamination that results in our inability to access the Holy Spirit.

How does Baal worship infect the churches in this area? The Babylonian records clearly reflect a doctrine that is obsessed with sexual interpretations of the Bible. Consequently, we see a sanction of promiscuity in today's churches with a Baal orientation in prayers and unauthorized forgiveness for what the Bible deems to be capital offenses. When I see these charismatic churches, that are usually integrated, gyrating uncontrollably to the rhythm of

Africa, we are witnessing a Baal ceremony; an excessive emotional indulgence that is repugnant to God, because it is a carbon copy of the ecstatic singing and dancing of ancient Canaan (not much different from the gyrating that goes on in nightclubs). There certainly weren't any holy rock 'n rollers among the Pilgrims and Puritans of colonial America. They might have gotten fired up on the preaching of God's Word, but not their hormones.

3. Forsaking God. We have taken God and the Bible out of practically everything that has to do with our race. The schools, the government and yes, even the churches are removing God, doctrine by doctrine. The Baal priests say we don't have to observe the Law, because it has become inferior to Grace (the Episcopal church is even acknowledging transgenders). But, Baal worship destroys the relationship between Law and Grace. The serpent promised Eve two things: immortality and wisdom i.e. "*ye shall not surely die*" and "*ye shall be as gods knowing good and evil.*" Did Eve forsake the Lord and believe the lie? Yeah, she did. The idea that the body dies, but our mental state continues on, cannot be found in the Bible. And yet isn't this Babylonian lie taught in the churches today? If you don't believe God when He says "*ye shall surely die*", you are forsaking His Word, you've abandoned God and are whoring after a strange god. Baal worship believes in man's inherent immortality before the resurrection and thereby negating the most important promise of Scripture: "***Christ died for our sins***" (I Cor. 15:3) so that we might have eternal life. God has provided no other scheme of salvation. Nothing could be more absurd than the conduct of those who doubt the truth of Christianity and instead turn to the wisdom of human testimony, which is Baal. The real Christian has seen his guilt and misery and his need for turning to the Savior. "*The fool says in his heart, There is no God*" Ps. 14:1. The pagan concept of an afterlife is that you die and go somewhere beyond the grave. Ask yourself, who are the biggest advocates of the presumption, that when you die, you go to heaven or hell in a conscious state? My Bible says, that when you die and return to the earth, buried in a grave, "*In that very day your thoughts perish*" (Ps. 146:4) and therefore "*The dead praise not the Lord*" (Ps. 115:17). Who makes all these promises, that all you have to do is believe in an innocuous God, not having to bother with His Word, and you get to go to the Big Disneyland in the sky? It's the Baal priests and their minions repeating the lie of the serpent, a doctrine of Baal, forsaking God. They don't know their place with God when He says, "*The heaven, even the heavens, are the Lord's, but the earth hath He given to the children of men*" (Ps. 115:16). If you attend one of these churches - the time to get out is NOW!

4. Serving Ashtoroth. This is the modern feminist movement, whereas in ancient times was known as goddesses. I guess Charlie Sheen would know about that, having two prostitutes on each arm, whom he calls his goddesses. Today's leading goddesses are Jewish women who have spearheaded a type of replacement theology from patriarchy to matriarchy, which makes sense because Judaism is matriarchal. Their plan of operation is to liberate their world from the intolerant attitudes of White God fearing Christian men; they teach 'freedom' from oppressive

stereotyping and thus promote and support the myriad of perversions and immoralities. And what a better way to apostasy than to put a priestess of Baal behind the pulpit? Hillary Clinton says it takes a village to raise your child, just like in Africa. Wouldn't that be paradise? Living in a circle of mud huts while the men folk go out and hunt lizards and snakes for dinner. Today in modern progressive America, babies born in hospitals automatically become wards of the state (if you parents play their game) and do not really belong legally to their parents. Is it any wonder then that the churches have surrendered to Baal worship by providing day care centers for the tax slaves to dump their children. In China, parents are only allowed to have one baby. That is now being circumvented by US travel agencies offering package deals for the Chinese to come over here, where their baby can be born and as a bonus point, become a US citizen. Do you think the framers of the Constitution ever saw that one coming? There are sanctuary churches that give illegal aliens aid and comfort. In criminal law that's known as an accessory. The White mommy and daddy are just caught up in the rat race and there's nothing the 501c3 Most Reverend Pastor can do about it; his hands are tied to Baal. Jewish feminist Gloria Steinem, co-founder of the National Organization of Women (NOW)

said, "By the year 2000 we will, I hope, raise our children to believe in human potential, not God." Ashtoroth emasculates the patriarchal nature of true Christianity. That's why there are so many soft spoken effeminate Baal priests in the churches and a reversal of women taking the place of men in the workplace, the police force, and the military.

5. Prostitution and illicit behavior. It's hard for most people to believe that there is a religion that worships sex, let alone it being in their church. The Baal worship of Canaan was derived from Babylon where trees were symbolic of procreation. God's Word says, "*Thou shalt not plant a grove of trees near the*

*altar of God... nor set up any image [pillar] which God hates*" Deut. 16:21-22. And yet every Christmas, trees are positioned near the sanctuary of the church. The ancient temples of Baal were centers of vice. The priestesses were temple prostitutes, as were the sodomites. They were ordained as a religious practice, and it was illegal for a woman to refuse to have sex with anyone, regardless of race. I have a report in my files about catholic nunneries having a dirty little secret, that their convents are nothing less than brothels of Baal. This religion of prostitution was imported to the West by the Jews. Talmudic principles come from Babylon; that's why it's called the Babylonian Talmud. The Jews have infiltrated and influenced all of the major denominations and are Judaizing them as fast as possible.

Henry Ford uncovered the reality of Christian seminaries and Bible colleges being infested with about 80% Jews in the 1920's, holding the positions of professors and doctorates of theology. He wrote about it in his book ***THE INTERNATIONAL JEW, #309 @ \$26.95***. Imagine what that did to the curriculum and how the Edomite Jew became the centerpiece of the origins of Christianity. During the Clinton regime we had a Madison Avenue Jewess in the White House, a very unrepentant and proud temple prostitute: Monica Lewinsky. The so called churches of America did not have enough clout to impeach Clinton and 'Slick Willie' was rewarded with a \$13 million book contract for

his memoirs. He said that he did what he did with Lewinsky, because he could. And you would think that a moral and betrayed wife would divorce him in a New York minute, but Hillary is neither, being a high ranking witch in the occult herself. This modern day version of Ahab and Jezebel is a mirror reflection of Baal worship in our society. How many Christian ministers have been compromised and blackmailed into Baal Worship? This, of course, is a technique of the Protocols, (*The Protocols of the Learned Elders of Zion*, #463 # \$6.95) where they destroy the foundations of authority through carnal temptations. They did it to Woodrow Wilson and that's how the Federal Reserve came about. When new congressmen come to Washington, the vultures are waiting.

6. Homosexuality. When I was first preparing this message, I called some folks in our congregation who had children, and I wanted to get their opinion on how to handle this subject and we agreed that the enemy would probably gloat over the free advertising, so I'm not going to say a lot about this chosen lifestyle of degenerates. And I found a passage in Eph. 5:12 that confirms our responsibility to limit our speech, "For it is a shame even to speak of those things which are done of them in secret." The problem is it's not in secret anymore. The Baal worshippers are literally marching down Main streets in parades of pride (don't go and watch these parades, lest you be condemned with them - Rom. 1:32). And they're being ordained as ministers and performing same-gender weddings. (Bermuda, after first legalising SSM, has now reversed its stand and removed that law. They only allow for civil partnerships for same-sex). It's only a matter of time before they will start the demand for adopting children and the legalization of pedophilia. But, be of good cheer, God's Law gives us the right to be free from the criminals of Sodom. If you recall King Asa's heart was perfect with the Lord all of his days; he took away all of the sodomites out of the land and removed all the idols (I Kings 15:11-14). They will be removed again. *'Pride goeth before destruction.'*

7. Abortion. The killing of babies, whether born or in the womb; preferably the firstborn. In ancient times, the ritual of convenience was intended to produce economic prosperity by prompting Baal to bring rain for the fertility of 'mother earth.' The natural consequences of such behavior was pregnancy and childbirth and the associated financial burdens of unplanned parenthood. However, these were easily offset by either homosexuality or with child sacrifice available on demand, by taking part in another fertility ceremony to terminate the unwanted child. (Now, it's abort the first one and then take contraceptives until you are past the age - both contributing factors in breast and ovary cancer). The worship of fertility is now euphemistically called 'pro-choice'. To the true Christian, this industry of sacrificial ritual is almost incomprehensible when it's a matter of religious practice. It comes from the stranger and his strange gods. God didn't care what the heathen did, He just didn't want His people doing what the heathen did. And I don't care what the heathen do either; they can abort themselves into oblivion - God will deal with them. I can't condemn a White girl being raped by a beast of the field and aborting what God never intended to be born (just

make sure the beast can't repeat the offense!). But the Baal church will encourage our damsels in distress to bring the mongrel to term, and have her contaminated through Telegony for the rest of her childbearing.

Most abortionists are jews or adherents of the occult or sociopathic deviants. They are taking innocent life as a form of worship. There may be a few honest physicians/nurses in the medical establishment who can empathize with the victims of rape and understand an ethical abortion without having anything to do with Baal worship. Most people have heard of 'Planned Parenthood', but they are unaware of the lucrative kickbacks they get from the abortionists for every referral. Where do you think those referrals come from? They come from the soft spoken effeminate clergy who are moonlighting as counselors for distraught teenage girls. Their motives might be more than altruistic when you consider they get \$25 a pop (and that was 10 years ago when I first gave this sermon) and they're counseling thousands of young girls every year. They make nothing for counseling abstinence.

At a meeting of doctors in New York, the book 'The Death Peddlers' quotes a Dr. Irwin Kaiser, a pioneer in the field of abortions, speaking in front of his peers, he says, "At \$160 per patient this is a substantial money maker for the hospital and obviously if we were prepared to step into the competitive New York market where abortions go as high as \$1500, we probably would make a substantial

killing, if I may use that expression." At this point, the book describes widespread laughter throughout the audience of doctors. As Lam. 1:16 says, "My children are desolate and perishing, because the enemy has prevailed." Baal worship is particularly hard and grievous on children. Hosea 4:6 says more than just, "My people are destroyed for a lack of knowledge"; it also says, "Since you have forgotten the law of your God, I also will forget your children."

Baal worship is a device to intentionally disobey the commandments of God. How many churches are left, that preach obedience to all of God's Laws? Believe it or not, there are some churches who are 'pro-choice' or just don't have the guts to be against it. There is sin in the camp and they are in the camp of Baal worshippers. Since the 501c3 (or Incorporated) church is a creation of the state, it is not a creation of God. The state then assumes the role of parent and can legalize abortion, since the 501c3 church cannot challenge its creator.

It was important to put a sexual spin on the seduction of Eve, as they taught that the serpent was God (whom they called Baal) and a woman would come to be purified in the groves to have illicit relations with a representative of Baal, who was the priest or temple sodomite. (the whole 2-seedline doctrine that the devil had sex with Eve to produce Cain was also taken from the Talmud). The Canaanites also twisted the prophecy that God would send His Son to earth to be a sacrifice for sin. Thus, the so called 'purified' woman would bring her firstborn child back to the grove, for they were the sons of god or Baal and were sacrificed. This was the method of justifying sin and reversing the effects of Adam and Eve's transgression.

To shed further light on the depravity of this priestcraft, they perverted ritual sacrifices of Israel's ordinances where the Levitical priests would partake or eat of whatever was offered as a sacrifice. The Baal priest would eat the first-

born. Hence, we get the word 'cannibal' - Canaan Baal. There's another disgusting fact that fulfills Scripture, mainly through the legalization of abortion. Many abortion clinics dispose of the rotting flesh of aborted fetuses, in the same kind of garbage dumpsters that other businesses have. Many refuse-collection companies, in order to defray costs, sell their organic garbage to hog farms. Swine will eat nearly anything and witnesses have seen them eating body parts. Now I ask you, how many fattened hogs are butchered and sold to those nice little old church ladies who prepare a big ham dinner for Easter? How many people have eaten pork, fattened on the bodies of our own children? Listen to this. Deut. 28:53, "*And thou shalt eat the fruit of thine own body, the flesh of thy sons and daughters, which the Lord thy God hath given thee.*" (unless you slapped God's face by using contraceptives). Because these Laws of God are not always fulfilled in conspicuous ways, we often do not recognize when we have come under the curses of the Law. Our people are doing the same thing the Canaan Baals (the cannibals) did as religious rites thousands of years ago, albeit indirectly.

Another sidelight is that the basis of cannibalism established the foundations of reincarnation. The Baal priest believed that he absorbed the spirit of the infant's innocent perfection. So it was not only for the parents, but for the priestly lust for power. This belief was also widespread in Africa among the negroes, who would eat their tribal buddies and drink their blood to obtain their spirit and power. They especially developed a cuisine for enemy warriors, thinking it would make them stronger. When the White man arrived on the African continent with his far superior intelligence and weapons, the negroes naturally licked their chops for the coveted White man's spirit. Missionary stew was a popular dish, because the tar black primitives thought the White man's intellectual prowess could be transmitted to them through digestion.

8. Pornography. I mentioned earlier tracing the Easter bunny back to the fertility goddess Ashtoroth and most have seen jew Hugh Hefner's logo, the bunny. Do you think this might be an inside joke among Baal worshippers? Well, there's nothing new under the sun. In archaeological finds under the debris of jars containing the remains of babies sacrificed to Baal, were found enormous amounts of images and plaques with rudely exaggerated body parts. I suppose it would be anti-Semitic to say that the jews control and have a monopoly on the porn industry, just like many other vices that they've had their filthy hands in, such as burlesque in the roaring 20's, movie studios, theater chains, the corporate takeover of Disney, turning family pictures into subliminal smut, but it's true, they own and control not only pornography, but most major

media outlets. Dr. Ed Fields newspaper 'The Truth At Last' estimated that the porn-video rental business has grown to \$4.2 billion a year! That was 10 years ago. I googled the statistics for today and it's around \$14 billion.

Before 1960, such magazines as Playboy were banned and even considered un-American. Sen. Joseph McCarthy's HOUAC was killed, because after investigating the red communists in Hollywood, many of whom innovated the lowering of morals in film, he tried going to the next level. He started finding more communist jews in the highest echelons of government and his committee finally came to a screeching halt when he hit a nerve at the State Department. Well, what do you suppose these jews are doing with all

their big porn profits? I would guess that they're funneling it back into Baal worship, buying political influence through bribes and incorporating obscenity at every level of society. They're funding every anti-Christian, anti-American and anti-White campaign they can. The jew Karl Marx, founder of communism, said, "Religion is the opiate of the people." (it tranquilizes them and puts them to sleep). Baal worship has become the drug of choice for judeo-churchianity. It's no coincidence that the 'lust of the flesh' is connected to the church of St. Viagra. Sorcery is in the sanctuary. This habitual craving for evil in the name of Christianity is pure Baal worship. Their audacity to flaunt sin as a virtue, whether miscegenation or lasciviousness, has no other purpose than to stimulate the carnal desires of the flesh with impunity. It has no redeeming spiritual value to a White Christian society.

9. Learning the ways of the heathen. Jeremiah 10:2 is telling us to not do the things that other races do. Baal worship emulates alien practices that are antithetical to White Christian worship. If God made us to be like other races or other races to be like us, He would have done so. If we are to believe Ps. 147:19-20 that God has only shown His Word/Law unto Israel and that He has not dealt so with the other races to know what we

know or that the New Covenant as articulated by Jeremiah in 31:31-33 is also dealing with the same race of Israel people in whom (this time) God puts His Law in our hearts and writes it in our minds (Heb. 10:16), again, exclusively separate from all other races... if we are to believe these basic principles of God's will, then how on earth could any White person want to be like the other races who are lawless, without the Law and void of morality. In Jer. 19:4 Israel changed their country into an 'alien place' by bringing in other gods and shedding innocent blood. Our people are doing the same thing today.

*"Let no man deceive you by any means, for that day shall not come, except there come a falling away first, and*

*that man of sin be revealed*" II Thes. 2:3. 'That man of sin' is synonymous with the lawlessness of judeo-churchianity that has been deceived by the worship of Baal and the falling away or apostasy that is in full bloom. There have been so many books written by good patriotic Christians warning us, that everything from government to churches are being used for the benefit of the non-White races and thus the genocide of our race; by adopting the heathen spirit of multicultural diversity, the herd instinct of animals, to whom God never gave His Holy Spirit to - in order to comprehend and administer the Divine Law. It was never their calling. Could it be any more clear than Isaiah 44:3 that says, "I will pour My Spirit upon thy seed, and My blessing upon thine offspring"? **Why does our posterity forsake their heritage and do things the way the heathen do?** Well, it's because of the change agents of Baal in educational institutions, the place where our children go to be indoctrinated with the propaganda of racial equality. The same kind of PSYOPS is working in the Sunday school class. It is warfare without bullets. But, we can start fighting back by doing the things that our God would have us do. How? We read, believe and obey, which leads us to...

10. Disobedience to God's Law. Baal worship encourages our people to disobey the commandments of God. They do this by making us believe God's Law is no longer in effect, which is totally false. Or they'll take Mt. 22:36-39 out of context and say this is the only command left for us: to love God and to love your neighbor. And then they'll lie and say that God loves everybody and everybody is your neighbor. They conveniently ignore verse 40, which puts it all in context, "On these two commandments hang all the Law and the prophets." Even Jesus emphatically declared, "Think not that I am come to destroy the law, or the prophets" (Mt. 5:17). But, that's exactly what the Baal worshipper thinks and in so doing disobeys Jesus. Almost all federal, state and local laws based on the Bible have been scrapped and have been replaced with the mercantile laws of Babylon. Peter and the other apostles, when persecuted for their teaching the doctrines of Jesus the Christ said, "We ought to obey God rather than men" (Acts 5:29) meaning the Baal worshippers. Acts 5:32 explains that when we obey God we are given the Holy Spirit and when we exercise this gift of the Spirit, this power of the Word, it will either convict or enrage a person (v. 33).

To the priestcraft of Baal, there is safety in numbers and less chance of a rope being put around their neck. Romans 6:16 asked this question, "Don't you know that when you present yourselves to someone as slaves for obedience, you are slaves of the one whom you obey, either of sin resulting in death, or of obedience resulting in righteousness?" By yielding to Baal, one becomes an accessory to the crime. The great deception is to get people to be servants of Baal by using the name of Jesus. The great delusion then is the voice of a false christ in your head saying, "Just be my friend and we'll all be so happy." Mt. 24:5 says, "Many shall come in My name [especially preachers], saying, I am Christ [or Messiah]; and shall deceive many." I can't emphasize the word 'many' here enough. It's not some little isolated situation, it's widespread and

pervasive. So who is calling themselves "Messianic" these days? It's jews, because they obey their Talmud that teaches them that they are the Messiah, not Jesus Christ. And if the preachers in judeo-churchianity want to preach Zionism, then they are preaching another Jesus, not the one in the Bible. Do Zionists and Christian Zionists make our people disobey the commandments of God? They certainly do... for they are servants of Baal. "Let no man deceive you with vain words; for because of these things the wrath of God comes upon the children of disobedience. Be not therefore partakers with them" Eph. 5:6-7. So when they say, 'can't we just be friends', the answer is **no**.

11. Astrology. Worshipping the host of heaven and by the way, what's your sign? When the ancient priestcraft kept records of cyclical events such as eclipses, you can understand why they wielded such power over people ignorant of the natural sciences that we now take for granted. Yet, this prediction business of associating the pattern of the stars to one's destiny is as popular today as it's ever been. It's no big secret that Nancy Reagan consulted with astrologers to help Ronnie run the country, but I guess the Baal priests could not see 'The Great Communicator's' future retirement as a great poster boy for Alzheimer's disease. The wisdom of the world becomes anathema to the wisdom of God. The astrologer, like the judeo-Christian minister, tends to have an over-active imagination and here we hit upon a key word. In Gen. 8:21 God makes quite an admission by saying, "The imagination of man's heart is evil from his youth." The Hebrew word (#3336) signifies not only imagination, but also the purposes or a concept (like the idea of forming something; molding the shape; esp. as a potter). But isn't God the potter and we're the clay. Baal worship, like judaism and secular humanism, puts the emphasis on 'self' rather than living a Christ-centered life. And astrology does nothing to glorify God does it?

12. Causing their sons and daughters to pass through the fires of Molech. This last one could be a separate sermon all by itself. We've talked about the utter depravity of this practice earlier, but I'd like to touch on this aspect of Baal worship that is in almost every church in America. The idea of roasting babies alive is almost unimaginable, but the concept has formed into a basic doctrine of churchianity accusing God of the same kind of sadistic torture by way of an unimaginable fire that burns sinners for eternity.

The Protestant Reformation was fought over an abuse of this doctrine of hell called the 'selling of indulgences.' The root of all evil is the love of money and if you follow the proverbial money trail on this issue, the fear of hell overshadows a fear of God and the priestcraft will cash in on it every time. We like to think of ourselves living in a modern society free of ancient abominations, but the modern church, through a misunderstanding of the biblical meaning of 'hell', has borrowed the tortuous practice of Baal worship and incorporated it into their religious beliefs. The only difference now is that instead of the Baal priests causing the burning of babies, they say that it is the purpose of God to burn the disobedient in an eternal hellfire, which

**#CI-1073 @ sug don \$9**

would seem to go beyond the horror of the Baals. It's making a very serious accusation towards the God of Israel, the Creator of the heavens and the earth. When Israel adopted Baal worship and sacrificed their children, not merely being slain, but were burned alive, it was shaping an idea to teach the people an afterlife of eternal pain and suffering. Is that really our God, whose mercy endureth forever? This is what God told them who imagined such things: "*And they who built the high places of Baal... to cause their sons and daughters to pass through the fire unto Molech; which I commanded them not, neither came it into My mind, that they should do this abomination*" Jer. 32:35. If this idea of burning people in a conscious state never entered the mind of God and He calls it an abomination, why would anybody think that God would commit a parallel abomination that is even more unimaginable? It's because the imagination of man's heart is evil from his youth. If you read on in Jeremiah 32, you will find the true character of God, whereby the sins of the people are judged in righteous anger with sword, famine and pestilence, but not the cruel and unusual punishment of the Baals. In verse 37 He says, "*Behold, I will gather them out of all countries, whither I have driven them in mine anger, and in my fury, and in great wrath; and I will bring them again unto this place, and I will cause them to dwell safely: And they shall be my people, and I will be their God: And I will give them one heart, and one way, that they may fear me for ever, for the good of them, and of their children after them: And I will make an everlasting covenant with them, that I will not turn away from them, to do them good; but I will put my fear in their hearts, that they shall not depart from me*" Jer. 32:37-40. The fear that God wants from His people is the idea of being departed or estranged from Him, not the fear of passing through the fires of Molech. Our ancient kin thought they were worshipping the true God, but they nullified God's Law with their vain imaginations. How many churches in America today, or the world for that matter, stand accused by the words of the prophet Jeremiah (7:8-11), "*Behold, you trust in lying words, that cannot profit.*" Baal worship is the milk of God's Word mixed with the wine of Babylon. (Read *Babylonian Wine*, by Pieter de Bemiddelaar, #764 @ \$5.55) All it takes is a little bit of leaven to spoil the whole. Any one of the 12 elements of Baal can poison a Christian church.

It's difficult to think that most judeo-Christian preachers can be helped, who are, for all intents and purposes, Baal priests, because they will not listen to anyone who tries to tell them the truth, especially if they perceive you to be a White Supremacist. Just as the Lord said, "*A shameful and horrible thing has happened in the land: The prophets prophesy falsely, and the priests bear rule by their own power; and My people love to have it so: and what will you do in the end?*" Jer. 5:30-31. What will we do? Much more can be said about these 12 elements of Baal worship, but I think you are better armed now than before to identify the apostate church (get out! and leave it behind) and are equipped to give a proper warning. Baal worship is heresy. Rest assured, we need not waste our time in endless debate

or conversation that goes nowhere. Titus 3:10 tells us, "*A man that is a heretic, after the first and second admonition reject.*" But, we are fishers of men and every now and then we get a good catch. Don't waste your resources on those of a Baal mindset

I thought that I would conclude this message with Part 3, but we have some unfinished business and I always like to close on a happy note. We really need to know how to bring down the Baals and that's what I will address next time. So, Lord willing there will be a Part 4 to end this series for your edification and to the glory of God.

## THE DECREES OF GOD

by late Rousas John Rushdoony

Good morning, friends. This morning I'd like to talk about the decrees of God. What are they? When we say that God decrees something, what do we mean? The Shorter Catechism answers it like this:

A.7. The decrees of God are his eternal purpose, according to the counsel of his will, whereby, for his own glory, he hath foreordained whatsoever comes to pass.

At first glance, this seems to be something very remote from our lives, but it actually has a meaning and application which reaches down into every fiber and nerve of your life and mine.

Simply stated, it tells us this, that the Lord is God, that God rules over all things, and not chance. You and I sit down frequently and try to plan our lives. We figure on so much time for work, and so much time for play. We budget and plan our finances, and decide that a certain sum will have to be set aside monthly for set payments after taking the tithe for God's work, leaving us a specific sum of money for other purposes. We earnestly and sincerely try to plan our lives, but of course the trouble is that they don't plan well. Unexpected things happen, events which we cannot control, and neither our time nor our money prove our own. Illness or extra expenses wipe out all our planning, and sometimes years of hoping. Then we start planning and hoping all over again. It has its value; it gives us minor

victories which would be impossible without planning, but we always know that we can never control every factor in our lives or in our work and world. We plan, but events outside our control continually compel us to alter and adjust our planning.

If God's planning were like our planning, then most of God's creation would have to be outside His control and moving under chance. It would make chance more important than God, because God's plans would be liable to change if events overruled His planning. We know that this is not so: there is no chance in this world. As James, the brother of our Lord, declared at the council of Jerusalem, "*Known unto God are all his works from the beginning of the world*" (Acts 15:18). God's planning is perfect planning: it leaves nothing to chance, and neither man nor events but only God controls the course of the plan.

What does this mean for us? It raises, of course, some

### Library builders: IS UNIVERSALISM OF GOD? by late Charles A. Weisman

*Universalism is the belief that all people without exception will eventually receive God's love, grace, salvation, mercy, and election as sons of God. This book analyzes the doctrines and arguments of Universalism, a theological concept that has long been discussed and debated within Christendom. It is the author's contention that many of the doctrines of Universalism are derived from the personal beliefs or desires of men, not from what God has stated, has done or has promised to do.*

#415 @ sug don \$19.65

questions about how to reconcile God's decree and human freedom and responsibility. Such questions we cannot answer: we do not have the mind to grasp all their implications. But this one thing we know, that to believe in a God who is in full control gives meaning to every moment and every act in our lives. Nothing that happens to us is senseless or meaningless. The world is not out of hand, or God out of the driver's seat. He is in full and absolute control. This means that there is a purpose to all things which faith and patience can discern and trust in.

Every one of us suffers things and undergoes trials and tribulations which sorely try our spirits. It would make life senseless and cruel if we could believe no more than that these things were meaningless and chance acts. But if we can believe, as we are asked by Scripture to believe, that all these things are a part of God's decree and have meaning in terms of Him, then we know that nothing is senseless or wasted in our lives or in all creation. Then we know that there is an eternal purpose in and behind all things, and our strength is in trusting in God and His workings. It enables us to say, although I do not know why these things have happened to me, I believe in the love and purpose which stands behind them and brought them to me. Because the Lord planned this, I know that His purpose is to His eternal glory and to my strengthening and fulfilling in Him. With Paul we can say, "We know that all things work together for good to them that love God, to them who are *the called* according to his purpose," Rom. 8:28.

## VULGAR TALK, VILE LIVING, AND VISUAL IMMORALITY!

by Don Boys, Ph.D.

In 1904 the Dean of Women at Northwestern University told women not to permit a man to touch her or hold her hand! Today universities are telling females how to be sexually promiscuous but be safe in doing so and how to inflict pain on themselves and others for sexual pleasure! In fact, most feminine studies teach a woman to swear, strut, swagger, smoke, and spit just like a man. Fact is, that's also uncivil, unseemly, uncouth, and unchristian for a man. Yes, the times are a-changing.

### BUT NOT ME

In the past 25 years I have been shocked by the looseness among Christian youth. They are very free with their hands in handling the opposite sex. They seem to hug everyone including the mailman. Their speech is suggestive and offensive, but then they are only repeating what they see and hear on television, movies, and recordings. Most of their pastors and parents are silent.

I decided very early in my ministry that I would never be alone with a woman, kiss, touch, or hug a woman who was not a member of my family. So I am not a hugger of females—or trees. Admittedly, my position may be a little extreme; however, I took the command of the Apostle Paul literally when he said in 1 Cor. 7:1, "It is good for a man

not to touch a woman." Yes, he was speaking of people getting married during the distressing political circumstances that would come to Christians in the Roman Empire; however, I took it literally as a young man and I would do the same thing again! One thing is sure, if you don't hug them, you won't sleep with them.

The orthodox Jews teach that youth should not touch each other until marriage (in contrast to Hollywood Jews who teach the opposite) Of course, inappropriate touching is always preceded by evil thinking. Evil thinking is often prompted by what is seen. We should follow the example of the Psalmist who wrote in Psalm 101:3, "I will set no wicked thing before mine eyes." (Could that apply to television shows, movies, and computers?) 2 Tim. 2:22 warns us to "Flee youthful lusts." Lust must be disassociated from attraction since attraction is a normal and God-given response to beauty. However, lustful men objectify the female until they assume "ownership" and do whatever they want with her, at least mentally.

Many men assume the right to conquer her and touch, even take her body. (Harvey Weinstein, Barnaby Joyce?). To blame this vileness on the woman as many attempt to do, no matter how she is dressed, is stupid, silly, and strange. Blaming the woman is unreasonable, unfair, and unscriptural.

Many men assume the right to conquer her and touch, even take her body. (Harvey Weinstein, Barnaby Joyce?). To blame this vileness on the woman as many attempt to do, no matter how she is dressed, is stupid, silly, and strange. Blaming the woman is unreasonable, unfair, and unscriptural.

### A NEW THOUGHT FOR MANKIND

In Matthew 5, Jesus revealed a new thought for mankind: if a man lusts in his heart, the sin of adultery has been committed. However, He does not place the blame on the woman but goes on to tell a man to (hyperbolically) pluck out his eye if it causes him an offense, meaning if he is caused to stumble. While that does not give permission for a woman to dress like a harlot (after all, if you dress like one, you cannot complain if some think you to be as you dress), it clearly removes the woman as justification for the man's sin. Consequently, flee youthful lusts and be careful what you look at. Job 31:1 suggests what men should do: "I made a covenant with mine eyes: why then should I think upon a maid?" With that thought is the understanding that if you don't see the maid, you won't be tempted to lie with the maid.

The extension of this thought is obvious: we must be careful what we see. Christians or even lost people who care about morality should not read salacious literature. Students should refuse to read books filled with obscenity and immorality that is presented as normal and acceptable. Porn on the Internet should be repulsed, modern movies filled with vulgarity and nudity should be refused, and most television shows should be rejected.

One of the most surprising, shocking and stunning things to me is the cavalier way modern Christians react to the culture: books, movies, television, recordings, etc. A deacon friend defended his watching filthy movies on cable television. He said that the nudity and vulgarity didn't bother him. I did not believe him, nor do I believe Christians can watch Internet porn, modern movies, and television without being corrupted. As the first and second century Christian leaders preached about the theater of their day, "You watch adultery and learn how to commit

### Library builder THE SACRED NAMES ISSUE by late Charles A. Weisman

*This issue relates to the belief that there are proper names for God and Christ which existed in the Hebrew language, and that these names should be used today. But the author has found that many of the arguments used are based upon assumption rather than fact. It raises a number of important questions such as: Does God prefer to be called by a specific name? Does the way we speak the Saviour's name have an affect on our prayers being answered or obtaining salvation? It is hoped that this book will clarify these and other questions surrounding the Sacred Names Issue.*

#899 @ sug don \$11.45

it.” To say that filthy talk and immoral plots do not affect you is to gainsay the very philosophy of education.

## THE HUMAN MIND

The human mind has a capacity to slowly accept, approve, and act out what is observed. Of course, at first you are appalled at evil but you get over it. You no longer feel uncomfortable when you see a nude scene or a couple climbing into bed or same-sex immorality. Moreover, after hearing the dirty, four-letter words for a while, they nestle in your mind and come rather easily to your lips. In your innocent days, you would have been horrified but now, it is acceptable. After all, everyone you know has adjusted. First you find the vileness appalling then acceptable, then approving. Then comes anger when someone confronts you for that sin.

Recently we were with some folks when something traumatic happened that momentarily shocked all of us and a lady responded with a loud expletive. It seemed so natural. For a second after we realized that we were not in any danger, she embarrassingly said she was sorry for her vulgarity. I said that it was probably because of watching movies and raunchy television shows. Her reply was interesting and telling: “Well, that happens when you are around people who talk that way.”

But my response is, “Why would they be around people who express themselves by cursing?” I thought about sending her a bar of soap. That worked in my generation. It is not good for a man to touch a woman and I don’t want to be insensitive to where I think I have a right to handle the opposite (or the same!) sex. I’d rather be too narrow than too broad. ♦

(Don Boys is a former member of the Indiana House of Representatives, author of 15 books, frequent guest on television and radio talk shows, and wrote columns for USA Today for 8 years. ## NURSES MUST CHECK PRIVILEGE

by Julian Tomlinson

Many North Queenslanders are in uproar after it was revealed nurses and midwives should acknowledge their “white privilege” when treating Aborigines and Torres Strait Islanders as part of their Code of Conduct.

This move by the Nursing and Midwifery Board of Australia exposed by Cory Bernardi’s Australian Conservatives - forces nurses and midwives to agree that simply being born white is a bad thing.

White privilege is generally defined as people with white skin having unearned advantages over people of different-coloured skin, and it’s a theme pushed mainly by those on the left of the political divide.

But the proponents of “white privilege” ignore the fact that Asians in Western countries are better off than their white hosts in a range of categories.

Asians and Australians of Asian descent are exploding the myth that not being born white makes it tougher to succeed.

So if they are doing better than whites, surely the

hatemongers should be attacking them too, but they don’t and this exposes them as simply anti-white racists.

Australian Bureau of Statistics figures show more people with Asian ancestry are on higher incomes than third generation Australians and a far greater percentage of people of Asian descent have university degrees.

I asked the ABS to provide incomes of people born - or who have at least one parent born - in Japan, China, South Korea and India.

Then I asked them to compare incomes with third generation Australians with at least one person at home who speaks English - as close to “white” or “European” as you can get but not exclusive to whites. Let’s call them TGA - third generation Aussies.

The ABS figures show 13.6 per cent of people of Japanese descent are on about \$104,000 a year, 11.8 per cent of South Koreans, 10.2 per cent of Chinese, 14.6 per cent of Indians and 11 per cent of TGA.

On \$400,000 or more we get 0.2 per cent (J), 0.2 per cent (SK), 0.2 per cent (C), 0.3 per cent (I) and 0.2 per cent (TGA). This trend is reflected across the income spectrum, but there are fewer Asians as a percentage earning \$50K or less than TGA. Also about 10 per cent more Asians graduate from university than TGA.

Of course income and education are not the only indicators of how well different races are doing, but it must be an indicator in determining if “whiteness” confers an advantage.

Activists claim “privilege” includes factors such as Band-Aids only coming in light skin tones.

Try convincing the Asians on \$400,000 a year that not being able to get a Band-Aid in their skin tone is holding them back. Maybe they just use the clear strips or the Spider-Man ones and get on with their day.

This edict for nurses and midwives is the sort of radical left-wing ideology that has entrenched itself in important positions of public policy influence all over the world.

It shows a belief that Western (read: white) culture cannot be a source of pride, even though it’s responsible for many of the world’s most significant achievements.

Thomas Sowell - a black American - is one of the more brilliant theorists on society, climate change, economics and taxation. He says: “What ‘multiculturalism’ boils down to is that you can praise any culture in the world except Western culture - and you cannot blame any culture in the world except Western culture.”

It’s clear that the only people pushing racism, racial division, race hate and racial identity politics are the people claiming to be racism’s biggest opponents.

They should be called out for this hypocrisy and consigned to mere bitplayers in matters of public policy rather than gifted positions of such influence as the Nursing and Midwifery Board.

Head of the NMBA, Lynette Cusack, says the code was formulated in consultation with nurses. But breakaway nurses’ union, the Nurses Professional Association, slammed the code. So do nurses agree with the white privilege clause or not?

Either way, the NMBA should not demean hardworking staff by forcing them to be part of contrived culture wars, and should immediately delete this section from its code.

Nurses and midwives who disagree should also be up in arms publicly before the code goes live in March.

Courtesy The Cairns Post, March 1, 2018, p.14

## THE SCHOOL SHOOTING OR ANY OTHER SHOOTING IN WHICH INNOCENT PEOPLE ARE KILLED

by Pastor Dave Barley

This is going to be a very technical lengthy article be-cause this whole issue is so complicated, political, and sensitive. What should be done with any person, adolescent, or adult who murders others? Let's see what the Bible says:

### Leviticus 24:17

*And he that killeth (MURDER) any man shall surely be put to death.*

Let's see, are there any age or mental state limitations? –NO!

Are there any gender restrictions? –NO! Wow, that wasn't complicated at all. I guess this topic won't require a lengthy article after all. The Bible has had the answer all along. So, what should man do when the next dirt bag goes on a murder spree, be they 10 years old or 100 years old, no matter what psycho-drugs they may be taking, no matter how abused they may feel? No temporary insanity pleas. Give them a **SPEEDY TRIAL** (not longer than a month). If they are found guilty, publicly hang them, not wait 5 years or more.

Yes, even where other students can see this event.

Public executions put the FEAR OF GOD into everyone so that they actually see what will happen if they commit murder. *And all Israel shall hear, and fear, and shall do no more any such wickedness among you.* (Deut 13:11).

### Numbers 35:30-31

*30 Whoso killeth any person, the murderer shall be put to death by the mouth of witnesses: but one witness shall not testify against any person to cause him to die.*

*31 Moreover ye shall take no satisfaction for the life of a murderer, which is guilty of death: but he shall be surely put to death.*

### Deuteronomy 21:18-23

*18 If a man have a stubborn and rebellious son, which will not obey the voice of his father, or the voice of his mother, and that, when they have chastened him, will not hearken unto them:*

*19 Then shall his father and his mother lay hold on him, and bring him out unto the elders of his city, and unto the gate of his place;*

*20 And they shall say unto the elders of his city, This our son is stubborn and rebellious, he will not obey our voice; he is a glutton, and a drunkard.*

*21 And all the men of his city shall stone him with stones, that he die: so shalt thou put evil away from among you; and all Israel shall hear, and fear.*

*22 And if a man have committed a sin worthy of death,*

*and he be to be put to death, and thou hang him on a tree:*

*23 His body shall not remain all night upon the tree, but thou shalt in any wise bury him that day; (for he that is hanged is accursed of God;) that thy land be not defiled, which the LORD thy God giveth thee for an inheritance.*

Hard verses? I think it's harder to mock God Almighty and deny His Word. Want more school shootings and such? Of course NOT. Then Israel, we had better obey God's laws. They are not a curse. Denying God's laws is where curses come from, such as crazed murder. Drugs or no drugs, psychotic or not, mistreated or not, or whatever.

Man's remedy or God's WORD remedy?

## THE SWAMP—AND ITS MURDERERS

by Pastor Dave Barley

What do we have today in the realm of sewer politics? We have the pot calling the kettle black politics. The whose more corrupt accusations, "them or us," the demo-rats or the republic-rats, the FBI, CIA, ATF, IRS rats, or most any other federal bureau out of malfunction Washington DC – Hey, they are all corrupt! They are all inner-connected in the "SYSTEM."

We are hearing more and more about the DC swamp, in which a cesspool of political hacks breed forth a shocking amount of corruption. Most of us have known for many decades that the FBI, CIA, ATF, IRS, the Senate, the House, the Executive office, the Judiciary and most every branch, agency, or bureaucracy in Washington DC is corrupt. No one person controls the corruption in our

nation's capital. It is a system of entrenched crime in the form of payoffs, favors, perks, bribes, regulatory string-pulling, murder, etc.

Do any of you actually believe that the USA government could never be involved in murder? First of all, government sanctioned wars are all about "murder." Almost all secular Babylonian forms of government regularly engage in murder on a regular basis. Vaccinations are a form of murder. Some people die quickly and others live with lifelong disabilities such as

epilepsy, asthma, cancer, heart problems, all kinds of neurological problems, including autism, paralysis, etc.

Population control is murder, and is often applied gradually in a variety of processes and much of it can be traced directly to the TV shows and its commercials (pushing dangerous pharmaceutical drugs and many are life endangering). Let's not forget worldly mind transforming drugs such as Ritalin and Prozac. There is psych politics in our schools, media, and entertainment which indoctrinates people into social-engineered communist reactionaries. Many of these have become crazed rioters who are ready to kill people that disagree with them. To these RED-minded people, human life is not sacred, Biblical values do not exist; there is no King Jesus and therefore no Divine

Library builder:

### WE ARE NOT UNDER THE LAW

by late Charles A. Weisman

For centuries Christians have been trying to reconcile and understand the apparent disparity regarding certain NT verses on the status of the Law of God. This material reveals for the first time what the Apostle Paul and Jesus meant in their statements about the law. It is guaranteed to be one of the most enlightening and important theological studies you have ever read.*

#295 @ sug don \$24.85

Purpose.

The system players have no fear of King Jesus because they have no Christian heart and therefore God's Word presents no conscience or restraint. Notice these players are never really held accountable for any of their "*criminal deeds.*" The system lackeys almost never are punished when they serve the Baals (gods) of the New World Order (NWO).

Was Lois Learner, former head of the IRS punished for her crimes? Was Loretta Lynch, former U.S. Attorney General under Obama, brought before a Grand Jury for meeting with Bill Clinton at the Phoenix airport? Was former FBI Director James Comey brought before a Grand Jury and made to answer for all of his lies and political scandals?

What about the current Democrat political hacks who have been criminally involved with the Russian scandal, such as FBI agent Peter Strozok, Senior FBI lawyer Lisa Page, or former FBI agent Andrew McCabe? Folks, the FBI is not a justice department, it is a crime syndicate. Then, of course, let's not forget about Bill or Hillary Clinton.

Were they ever punished for their involvement in political scams, violations of top secret emails, Clinton Foundation misdeeds, or Benghazi scandal? How about numerous close associates who were victims of murder from Mena, Arkansas drugs and weapons deals, including the Clinton foundation.

**Here a list of some of "the Clinton dead pool."**

1. James McDougal – Clinton's convicted Whitewater partner. (heart attack – perhaps)
2. Mary Mahoney – Former White House intern. (murdered at a Starbucks in Georgetown).
3. Ron Brown – Secretary of Commerce and former DNC Chairman. (plane crash)
4. Vince Foster – White House counselor and colleague. (gun shot in the head)
5. C. Victor Raiser – Player in the Clinton fund raising. (plane crash – seems like a lot of plane crashes)
6. Paul Tulley – Democratic National Committee Political Director. (found dead in a hotel in Little Rock).
7. Ed Willey – Clinton fundraiser. (gun-shot wound in the head, body found deep in the woods)
8. Jerry Parks – Head of Clinton's gubernatorial security. (Gunned down in his car)
9. James Bunch – Said to have "Black Book" of people. (gunshot)
10. James Wilson – Ties to Whitewater. (hanging suicide – Oh, ok, nothing to see here, we'll keep moving)
11. Kathy Ferguson – Ex-wife of Arkansas Trooper Danny Ferguson. (gunshot in the head, although several suitcases packed).
12. Bill Shelton – Arkansas State Trooper and fiancée of Kathy Ferguson (both were shot in the head).
13. Gandy Baugh – Attorney for Clintons (jumped out of a window—right).

14. Florence Martin – Accountant & sub-contractor for the CIA, and Mena, Arkansas airport drug smuggling (shot 3 times).

15. Suzanne Coleman – Reportedly had affair with Clinton. Gunshot to the back of head. She was pregnant at the time.

16. Paula Grober – Clinton's speech interpreter. (car accident).

17. Danny Cassolaro – Investigative reporter. (Slit wrists).

18. Paul Wilcher – Attorney investigating corruption. (Found mysteriously dead).

19. Jon Parnell Walker – Whitewater investigator. (said to have jumped to his death).

20. Barbara Wise – Commerce Department staffer, knew Ron Brown. (her bruised naked body was found locked in her office).

21. Charles Meissner – Assistant Secretary of Commerce who gave John Huang special security clearance. (shot).

22. Dr. Stanley Heard – Chairman of the National Health Care, served on Clinton's advisory council. (small plane crash).

23. Barry Seal – Drug running TWA pilot. His death was not accident.

24. Johnny Lawhorn., Jr. – Mechanic who found a check made out to Bill Clinton. (died of car accident).

25. Stanley Huggins – Investigated Madison Guaranty. (purported suicide).

26. Hershell Friday – Attorney and Clinton fundraiser. (his plane exploded).

27. Jeff Rhodes – He was shot, mutilated, body found in trash dump.

And folks, there's more of these "**victims.**" Are they mere accidents or murder with extreme prejudice?

Can any "right-minded person" say "Nope, I just don't think there's enough evidence to convict the Clintons." Just like the Benghazi, military debacle. No cover-up there? Only a corrupted and brain-washed society could come to such a conclusion. It is a Machiavellian mindset that embraces whatever it takes to get to their endgame to total control.

Only a society that is constantly fed lies, perversion, and progressive liberalism could come to the point that they would call that which is "*evil, good, and that which is good, evil.*"

**Isaiah 5:20-21**

*20 Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!*

*21 Woe unto them that are wise in their own eyes, and prudent in their own sight!*

So, is there "murder" going on by Washington DC insiders? Is there sufficient evidence? **Of course, there is!**

Remember, the murder of Gordon Kahl, Vicki Weaver and her son, Sammy, the seventeen children at Waco and their parents, including the recent murder of Lavoy

**AN EXPOSÉ OF THE  
ROMAN CATHOLIC CHURCH**  
by late Charles A. Weisman

*The true source and nature of the Roman Church. Where did it come from? What is the Scriptural authority for a pope? How many doctrines of the Roman Church were known to the Apostles? This well documented book unravels the mystery behind the largest religious system in the West - the Roman Catholic Church and the Papacy.*  
**#279 @ sug don \$13.25**

Finicum in Oregon including the threats, harassment and persecution of the Bundy family and all who supported these brave American Patriotic people? The list is quite large, and they were targeted and assassinated or imprisoned by our government. Can you imagine what type of non-Christian, conscience dead, murdering thugs lurk in our government who would consider it a badge of honor to shoot and kill good Christian people like Lavoy Finicum?

The FBI set him up, forcing him off the road into a snow trap, placing sharp-shooters behind trees, and then shooting this Christian Patriot man three times in the back. Then they fired on helpless family and friends in the back seat of the vehicle he was driving. What kind of killer mercenary types must the federal police employ?

I'm certainly not accusing them all of being murderers, but clearly, units of them are. What evil, inhumane, vile morals they must possess?

Folks, there's no other way to describe such mercenaries than to call them what they are, "EVIL." No, this is not a fun topic to talk about, but fellow Christians, the Bible demands we do so! **Hosea 4:1-2**

*1 Hear the word of the LORD, ye children of Israel: for the LORD hath a controversy with the inhabitants of the land, because there is no truth, nor mercy, nor knowledge of God in the land.*

*2 By swearing, and lying, and killing, and stealing, and committing adultery, they break out, and blood toucheth blood.*

Are they mere "REDCOATS" just doing their job, obeying orders? Well ask yourself, were the FBI and ATF agents only defending themselves when they shot Vicki Weaver in the head, or shot Lavoy Finicum three times in the back? Was Vicki shooting at them? No, they targeted her and murdered her. Same with so many others, including Lavoy Finicum. (for a whole book of incidents like these, get the book **Battlefield America** by John Whitehead, find it on [www.amazon.com/books](http://www.amazon.com/books))

Ask yourself, how evil must the Political Directors of the federal government (such as Janet Reno) who ordered the murder of the Weavers, Waco (David Koresh supporters), or Obama and the "Justice" department who ordered the removal of Lavoy Finicum be? I haven't even brought into this discussion the Oklahoma Federal building bombing. Many questions remain unanswered concerning the government assertions about what transpired in that bombing. Too many things do not add up, just like the falling of the World Trade Center Twin Towers. Talk about "**MURDER.**" There was much wrong about the collapse of those Twin Towers.

In the minds of millions of people there was a conspiracy that boggles the imagination. The Bible is very clear that evil exists and much of it comes from the wicked minds of men.

### **Focusing on Our Biblical Israelite Calling**

One of the biggest spiritual and physical problems facing Kingdom Israelite believers is the fact that they do

not know their true Biblical identity. The White Adamic Israel people are so fragmented, splintered, and scattered that it is easy for their enemies to keep them in chaos, in a state of confusion, and highly vulnerable to the devices of their adversaries. **White people "kind" belong with their own kind. We need each other. We need to love, support, and come together in church fellowship communities.** The "enemy" wants to scatter us. **God wants His people to come together and worship Him.** He wants us to love one another, pray one for another, and care for one another.

### **Ephesians 6:18**

*Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints;*

### **Ephesians 5:11**

*And have no fellowship with the unfruitful works of darkness, but rather reprove them.*

### **Galatians 6:9-10**

*9 And let us not be weary in well doing: for in due season we shall reap, if we faint not.*

*10 As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith.*

### **Hebrews 10:25**

*Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching.*

**When we see Israel coming together under Jesus, we will also see a healing for the nation.**

We need to come out of Babylon, which means "confusion." When Adamic Israelites are thrown into some "red pottage" and are mixed around and blended into something other than what God created and purposed them to be, then we lose our identity and purpose. We become vulnerable to the ways of Babylon and start thinking that our place and purpose is to be in Babylon and a part of the "red pottage."

We read in **Revelation 18:4** the following:

*"...Come out of her, MY PEOPLE, that ye be not partakers of her sins, and that ye receive not of her plagues."* First of all, who are "MY PEOPLE" in this verse of Scripture as well as throughout the Bible? The answer, of course, is the descendants of Israel. Every page of our Christian Israelite Bible deals with God's Adamic White Israel People. The true Word of God is hardly a Universal Gospel, but instead, it is God's Ownership Manual for Israel.

The Bible "world" is an Adamic Israelite "kosmos" (the Greek word for world). God's Word does not center around some United Nations world vision.

The Biblical vision is a Kingdom Israel directed Covenant for which King Jesus is their Kinsman Redeemer. The Bible story is not about "world" redemption. It is about Restoring the divided Northern and Southern Kingdoms of Israel back into the bonds of the Covenant.

### **Video you may have Missed: ARCHITECTS AND ENGINEERS for 9/11 Truth**

*Richard Gage: an architect leads this presentation. People who have seen this video, even skeptics, are left completely disarmed and convinced by Gage's scientific, point-by-point explanation with focused video details showing unmistakable evidence of internal explosions used to demolish the World Trade Buildings. No one can refute this video!*

**CI-710 @ sug don \$9**

### **Ezekiel 20:34-37**

34 *And I will bring you out from the people and will gather you out of the countries wherein ye are scattered, with a mighty hand, and with a stretched out arm, and with fury poured out.*

35 *And I will bring you into the wilderness of the people, and there will I plead with you face to face.*

36 *Like as I pleaded with your fathers in the wilderness of the land of Egypt, so will I plead with you, saith the Lord GOD.*

37 *And I will cause you to pass under the rod, and I will bring you into the bond of the covenant:*

What Covenant? Not the Old Covenant, but the New Covenant which is unto Judah and Israel. God Almighty is still in the Covenant business and we praise Him because He keeps His Word.

### **Isaiah 46:13**

*I bring near my righteousness; it shall not be far off, and my salvation shall not tarry: and I will place salvation in Zion for Israel my glory.*

### **Habakkuk 2:3**

*For the vision is yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry.*

We can depend upon God's Covenant WORD to Israel.

### **Hebrews 8:10**

*For this is the covenant that I will make with the house of Israel after those days, saith the Lord; I will put my laws into their mind, and write them in their hearts: and I will be to them a God, and they shall be to me a people:*

This is the Bible narrative from Genesis through Revelation. It is the reason for the Two-sticks (Israel and Judah) being formed into one.

### **Ezekiel 37:15-19**

15 *The word of the LORD came again unto me, saying,*

16 *Moreover, thou son of man, take thee one stick, and write upon it, For Judah, and for the children of Israel his companions: then take another stick, and write upon it, For Joseph, the stick of Ephraim, and for all the house of Israel his companions:*

17 *And join them one to another into one stick; and they shall become one in thine hand.*

18 *And when the children of thy people shall speak unto thee, saying, Wilt thou not shew us what thou meanest by these?*

19 *Say unto them, Thus saith the Lord GOD; Behold, I will take the stick of Joseph, which is in the hand of Ephraim, and the tribes of Israel his fellows, and will put them with him, even with the stick of Judah, and make them one stick, and they shall be one in mine hand.*

Again, the world wants us mixed, mingled, and blended. God wants His Covenant Israel people to be His called out and chosen KIND. God did not choose Abraham and call him out of his original homeland (Ur of Chaldees), to come away from his pagan family worshippers only to one day abandon His call for the seed of Abraham, Isaac,

and Jacob to be holy.

### **Genesis 12:1**

*Now the LORD had said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will shew thee:*

In fact, the Scriptures always call Israelites to be one with God Almighty and that His desire throughout the Word is that they be united as one people in a Kingdom forum. Where they will live in Kingdom harmony and safe from the hands of their adversaries. Being in Babylon is not a blessing, it is a curse. **The reason we are in Mystery Babylon today is because the Covenant seed of Israel will not abide in JESUS, THE WORD.**

### **John 1:1-3**

1 *In the beginning was the Word, and the Word was with God, and the Word was God.*

2 *The same was in the beginning with God.*

3 *All things were made by him; and without him was not any thing made that was made.*

God's people would rather be like the other nations who relish in paganism, pluralism, embrace heathen ways and practices (their lewd perverted music, movies, sports,

and their Talmudic system of laws and politics). People love to follow the crowd, do what's popular, feel like one of the gang, or be like the other nations. Remember what Yahweh told the Prophet Samuel:

### **1 Samuel 8:7**

*And the LORD said unto Samuel, Hearken unto the voice of the people in all that they say unto thee: for they have not rejected thee, **but they have rejected me**, that I should not reign over them.*

King Jesus will not compromise His Kingdom and He will not have it polluted. He drove the Money-changers out of the Temple before, and He surely will do it again. This present-day Babylon script (phony money) will not be used, nor will its

corporate dominions (government systems, banks, religions, media, standards, inter-nationalism, sciences, politics, secularism of any kind). God does not need the ways of man, we only need the Creator. The Bible tells us that He created all things. This, we believe and the reason we need nothing from this world order.

Listen folks, God took care of Abraham when He called him out and He is more than capable in taking care of Abraham's seed today. What God's people need to do is come together in Kingdom Covenant Purpose. God is seeking a Gideon, David, Daniel, Peter company of people that will trust and obey Jesus and who will then unite together as His Church. The Church of Israel. Not denominationalism, not Judeo-Christianity. Just serious-minded Kingdom Covenant Israel believing communities who seek the Whole Armor of God (read **Ephesians 6:16-20**).

Jesus was not a compromiser and He does not want His people to be compromisers either. Jesus gave His Covenant Word unto the seed of Abraham and Isaac and His Word is absolute. We can have faith in Jesus and having faith in

*only a few left:*

## **AMERICA: FREE, WHITE, & CHRISTIAN**

**by Charles A. Weisman**

*The Pilgrims left friends and memories of past life and faced the dangers of coming to America for the purpose (in the words of Bradford) "of laying some good foundation for the propagating, and advancing the gospel of the kingdom of Christ in those remote parts of the world; yea, though they should be but even as stepping-stones, unto others for the performing of so great a work." It is this "good foundation" that America legally rests upon*

**#060 @ sug don \$17.95**

Jesus is a vital concept regarding His True Church. Today, for the most part, we have the wrong people being identified as Israel. **Judeo-Christianity claims that the Jews are God's Chosen people, the very people who hate Jesus and attack the Christian faith.** Judeo-Christianity is not a true Biblical church. They are asking God to bless the enemies of Christ so that they, in turn, might be blessed. They are trying to put together a puzzle with the wrong pieces. This is Babylonian thinking.

The Bible only calls Adamic Israel as the true Church, or Body of Christ. One God, one faith, one baptism. The church of God addressed throughout the Scripture is the Church of Israel. All the New Testament churches are Israelitish. The church of Corinth, Ephesus, Thessalonica, Laodicea, Galatia, were all churches and countries where the dispersed divorced Northern Tribes of Israel had regathered. The very lost tribes which became gentilized that the Apostle Paul was sent unto.

When in the Scriptures did Yahweh call the mixed multitude, or dark races to be gathered unto Him and be or replace His Covenant People? **The present day modern church called and chose itself, not God Almighty.** Yes, God is Sovereign, and He sovereignly allows people to taste of their own corrupt ways. The true Church needs to be set right by using the Bible, God's Ownership/Creator Manual.

Being religious is not the answer. Mystery Babylon is highly religious, and truth be told, to a large extent, the modern-day churches are Baal infused. Yes, all men (Adamic Israel kindred) are sinners and fallen short of the Glory of God. But there was a big difference between sinful Elijah the Prophet and those sinful Baal priests God destroyed during the reign of Ahab and Jezebel.

God's true Church is divided, confused, lacking in faith, and needs to be cleaned up spiritually. We have divided hearts because we are racially and spiritually divided. False teachers have stolen your hearts, Israel. We can return to our Redeemer.

### **1 Kings 18:21**

*And Elijah came unto all the people, and said, How long halt ye between two opinions? if the LORD be God, follow him: but if Baal, then follow him. And the people answered him not a word.*

Let us not be silent. Let the WORD of God come forth. Let us press in for the mark of the prize of the high calling in Christ. Let us seek the Kingdom and His Righteousness. **Corinthians 6: 11-18**

*11 O ye Corinthians, our mouth is open unto you, our heart is enlarged.*

*12 Ye are not straitened in us, but ye are straitened in your own bowels.*

*13 Now for a recompence in the same, (I speak as unto my children,) be ye also enlarged.*

*14 Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?*

*15 And what concord hath Christ with Belial? or what part hath he that believeth with an infidel?*

*16 And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them, and walk in them; and I will be*

*their God, and they shall be my people.*

*17 Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean (thing); and I will receive you,*

*18 And will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty.*

### **TABLE ETIQUETTE**

Wash your hands and do your hair before coming to the table. Be at the table on time. All sit around the table together for grace.

At the beginning of the meal, pass the food counter-clockwise, or to the right. If you have guests, the guest of honor sits to the right of the host and is therefore served first.

Do not over pile your plate. Take a moderate portion and come back for more if you are still hungry. It is thoughtless to take more than you need and leave food wasted.

During the meal, ask for your food to be passed unless it is near you. Do not talk to the air, but ask someone specifically, s.g. "Jane, could you please pass the rice?" Reply with "Thank you."

Do not talk with your mouth full! Do not make a noise when you eat! Do not belch! Do not gulp your food! Do not eat with your mouth open! Do not lick your knife! Keep your elbows in, feet on the floor!

If you have to cough or sneeze, put your hand over your mouth and turn away from the food. Do not slouch at the table. Sit straight. Keep your chair close and elbows off. Elbows are allowed on the table between courses but not while eating. Knees not allowed against the table.

Do not monopolize the conversation or speak over the top of others. One person should speak at a time. Share the conversation.

Be a good listener. Adults should have the predominance of speaking at the table. Speak positively. No arguments. Do not have private conversations at the table. It is a place for shared communication.

Always say "thank you" to the cook or your mother for the meal. Mention something specific you enjoyed. e.g. "Thank you for the lovely meal. I enjoyed the special pasta dish." Thank father for working hard to provide the food.

Sit at the table until the meal and family devotions are finished. Ask to be excused before you leave the table, after everyone has finished, e.g. "May I be excused?"

**Please note:** We will be going south to Brisbane God willing for a wedding in April being gone from about the 10th to coming back 20/21 April. Will try and get in a few visits as well. Look forward to catching up.

Blessings to you all in Jesus' name. My, how time seems to just fly past. The autumn equinox has already come again.

With my change in diet (no sugar, bread, or dairy and very few eggs) my health is improving, Praise the Lord! I do feel much better not having these arrhythmia episodes.

Please note that many books will not be restocked after they are all gone - the postage costs from America have made it very difficult, and many books are not being reprinted there, either. So get them while you still can.

Thank you for your continued support and orders for material. May the God of Abraham, Isaac and Jacob, bless you and keep you in his gracious care,
